This book has two stories taking place over the holiday season. Both have been previously released as single books. Both have great characters, strong men and stronger women.

I really enjoy reading Diana Palmer books, old new and all in between. This one is no different. Carla is a younger, new reporter. Bryan is a seasoned politician, the town Mayor. Stories get mis-written and they have to find a way to fix them. Love wins out and they get their happy Ever After. Good story line and interesting characters.

This is 2 stories in 1. The 1st, If Winter Comes by Diana Palmer, is your typical DP theme of a cold/mean spirited H and innocent/virginal h. H in this story is 16 years older then h and has been married before and all sour on women, etc, etc..

Ms. Bravo and the Boss by Christine Rimmer is more of a 4 star read for me. Both H & h are very likable characters with a lot of chemistry. It is well written and very enjoyable for the time period of the past that it was written in.

Wonderful

Two wonderful stories by two amazing authors. Both were wonderful in there own right and I can highly recommend this book.
