Cheiro's Palmistry for All: The Classic of Palmistry: A Practical Work on the Study of the Lines of the Hand Cheiro

Containing new information on the study of the hand never before published. Cheiro presents information of how by a mere glance at a hand, a quick grasp of the leading characteristics of that person is revealed. Hands cannot change as the result of a mere effort to please as with the face. The character hands express are the real nature of the individual, the true character that has been formed by heredity or that has grown up with the person by long years of habit.

One of the concise and easy to read books on palmistry by the master himself. Recommended for beginners as well as those who are well apt at palm readings for the historical references.
