### **Julie\_ian\_curtis says**

Nancy speaks at the River Heights High Careers fair where she meets Tom (?) who owns a security firm. When many of Tom's clients are robbed Nancy investigates.

---

### **Jerry says**

A decent story...but not this series as I've come to expect it. Too much filler and wasted space, and a dragging ending.

EDIT: I had forgotten I'd read this before...but I enjoyed it more the second time around.

---

### **Heidi says**

Not one of the most interesting cases.
