## **Fallin' For Rozay: An Urban Romance Mz Robinson**

A chance meeting dropped Zuri Evans into Marshawn “Rozay” Stevenson’s life and set his world on fire. From the moment, he met the young beauty, he knew she was unlike any woman he’d ever met and she would fill a role that no other woman ever served.

Zuri wanted nothing more, than to break free from the strain of her mundane relationship with her boyfriend Darwin, and have one night to herself. However, upon meeting Rozay, one night quickly turns into an addiction.

When friends turn into foes and partners turn into predators, Zuri discovers that the best part of her “Addiction” isn’t the way his touch drives her to the highest peaks of pleasure, leaving her breathless and screaming his name. Nor is it the way, his eyes speak to her soul or the way his lips make her weak. However, it’s the way he protects her and shows her the kind of love that words cannot do justice. In this original romance by Mz. Robinson and presented by Cole Hart, join Zuri and Rozay as they embark on an adventure filled with pain, passion, and desire and discover what happens when “One night” turns into “Forever”.

## **From Reader Review Fallin' For Rozay: An Urban Romance for online ebook**

### **Imma Booker says**

This was a good and entertaining read. It kept me guessing as to who was involved in all of the treacherous things that were going on in Rozay and Zuri's bad bouts of luck. If not for the numerous editing issues, this would've been a solid 5 star read.

### **Helen L. Williams says**

#### **Well I be damn**

What kind of family is Thadd he had his family killed thinking he was getting land and money. That's why he was cut out. Only if Zui know her so called cuz isn't who she thought.

### **Taylor says**

Mz. Robinson always comes with twist you don't expect. I enjoyed reading this book. I would recommend reading it.

### **Monique Spicer says**

#### **Very good**

This was a very good read I liked how it just flowed and there wasn't a bunch of back and forth. Poor Zuri she was dealt one hell of a hand in this thing we call life. The snakes that surrounded her was crazy. I loved how Rozay loved her they made you love their love. I can't wait for part two.

### **Wen says**

This is a late added. I promise to keep updated in 2019.

### **Margie Cobbs says**

#### **Oh Wow!**

Somehow I knew that Thaddeus and Clint had something to do with Zuri's parents death. They plotted that

stuff when they were in prison together. Rozay is a different breed in this love story. An honest man with a legit job and not making quick cash. I love he and Zuri together. Great book Mz Robinson.

### **Andrea Anderson says**

#### **Man what!**

I had a feeling that all the jail birds were in cahoots with each other. That cousin Thaddeus and ON and Clint all need to be dealt with. I hope Rozay catches on before anything bad happens to him or his wife because she already had a devastating blow by her parents being brutally murdered in front of her. Those punks are clowns and I can't wait til the next book drops. You did an excellent job with this book.

However, great book from start to finish!! ?????

Loved the chemistry between Zuri and Rozay. That ending..... Why would you do this to us? Need part 2 now, so I can confirm that Rozay handles business. Great read.
