Liked it a lot!! It was so helpful for me, into comprehending my first steps into the japanese language *still so excited!*

Haha, endlich das ganze Workbook durch :D

Ich muss sagen, ich mag das Workbook wirklich sehr gerne und war, gerade vor den Klausuren, froh, dass ich es hatte. Denn im Unterricht haben wir es selten benutzt und so konnte man mit dem Workbook noch sehr viele zusätzliche Übungsaufgaben machen. Top!

Auch die Aufteilung in Hauptteil und Kanji-Teil ist gut gelungen. Dann kann man sich beim Lernen besser Schwerpunkte setzen.

Obwohl ich die Höhraufgaben manchmal recht schwer fand, waren sie natürlich etwas Besonderes. Ein paar mehr wären toll gewesen.

Auf jeden Fall eine sehr sinnvolle Ergänzung zum Textbuch, die ich nicht missen will!

The *Genki 1* workbook is a great companion to the *Genki 1* textbook. It mirrors the textbook exactly, so there is never any confusion on how to do certain exercises. I also appreciated the differing kinds of exercises: written, oral, and listening, which are necessary in order to learn a language as completely as possible through a textbook/workbook combination.

Covered 6 six chapters, but I didn't do all of the exercise. I'm certain by doing this book you will get some good training in grammar but I didn't had the time since I wrote my thesis parallel with the Japanese course.

But I have this workbook at home so I can do them when I have some free time, or if I just wanted to "repetera".

It was a great complement to the Genki I Textbook.

Read my Genki 1 review for more, but basically, I think it's a great idea to buy this if you're self-studying Genki 1. Great exercises, and the extra practice is very helpful.

Morgan says

Good helper to learn the language.
