## **Sentinels in the Sun** Robert Reynolds

Sentinels in the Sun is a sequel to Reynolds' popular Vietnam novel, Firing at Shadows. It picks up where the first novel left off, introducing new NSA Security characters and their gripping experiences, as they protect Navy installations in and around Da Nang. The men encounter brutal enemy attacks, extreme weather conditions, develop captivating relationships, face personal dilemmas and suffer unexpected tragedy. Experience exotic, mysterious, Da Nang as it was during the Vietnam Conflict. Once you begin, you will not want to put this book down until you've read its exciting conclusion.
