## **Torn Between a Goon and a Gangsta** Jade Jones

Take a look inside the lives of three close friends. Dre and Hassan have been robbing convenience stores and small banks together since high school, but they share something else in common other than making cold, hard cash...their love for Nikki.

The stakes are high after the trio takes on a scheme that unexpectedly sets off a chain of dangerous events. With greed, betrayal, and heart ache pulling them all in separate directions, will they be able to overcome it all? Or will their very foundation crumble beneath lust, lies, and deception? With over 100 five-star reviews, "Torn Between a Goon and a Gangsta" is a rollicking ride full of drama, betrayal, and unexpected twists!

### **Amy Withers says**

#### **Friends**

Hassan and Dre seems like the ideal friendship to have. It's true can't always be friends with a girl cause lines and borders will be crossed. Can't wait to read part 2 and see how everyone deals with the consequences

### **Mercedes Moore says**

#### **Ok**

Not bad but wasn't the best either. A few editing mistakes. Not very interesting but I loved that they were robbers instead of the usual dealers

#### **OMG Torn Between a Goon and Gangsta**

Dre , Nikki, and Hassan were thick as thief they robbed banks and convenience store that all knew. The last robbery Nikki got shot by a security guard and could have died if it wasn't for the bullet proof vest that a Dre save her life. Dre and Nikki was in a 2 year relationship she loved him he loved her in his own way. Hassan were friends for years she stayed with Hassan and his family when her mother died they treated her like family she had a strong connection with Hassan it was nothing going on between they were best friend. Her

loyalty was to Dre he was her high school sweetheart her first love her everything. Dre was aggressive and hard life growing up he lives the thug live possessive and controlling boyfriend he a hustler and thief. Hassan is the opposite of his best friend Dre he laid sensitive and charismatic he liked Nikki first he was to shy to approach her so Dre initiative and approach her and ended up with Nikki. Secretly Hassan was in love with his best friend girlfriend and best friend but he stayed neutral because she was in love with Dre she loves Hassan as a brother. Hassan went to the store Nikki ask could he buy her a pregnancy test. He was distracted walking home from the store was robbed at gunpoint he told thief he didn't have any money him the assailant fought over the gun he was shot in the stomach and left for dead. Nikki instinct told her something was wrong she was worried about Hassan her best friend she told Dre something was wrong to come with her to see what was taken Hassan so long the heard ambulance and police siren. Nikki ran thru the crowd to see how was shoot it was so much blood on the ground they fear the truth. They drove to hospital to see is Hassan was good they couldn't get any information from the nursing staff at the emergency room they were given a hard time they went home came back the next morning. Careem Hassan brother ask where was Dre and Nikki why didn't have his back he underwent surgery to remove bullet fragments from is stomach. In walk Dre and Nikki was worried sick and rushed in to see if he was good he would have to stay in the hospital for about 2 weeks. Careem couldn't stand Dre because he slept with his baby mommas years ago he tolerant him on the strength of his brother and also he brought stuff from him. Dre leaves the room he to holla at him heard the tail end of Careem conversation he and Hassan was discussing. Hassan was going tell Nikki he had feelings for before he could tell Dre back in the room he holds his tongue she was confused on what he was going to tell him she was really concerned about his injuries. Hassan meanwhile has been harboring feelings and love for for years and didn't want to ruin their friendship connection they had. Hassan was finally released from hospital still sore. Meanwhile Dre the love her life is cheating on Nikki with her cousin Adorable for 6 months secretly pumping her information about a judge he planning to robbed he has watching his every move for weeks. Dre ask Nikki would aid him this home evasion he planning he couldn't pull off with out Hassan and Nikki help. Nikki is tried of robbing and putting her life on the line for a little bit of money. Her and Dre has a huge argument and stormy out of the house and of staying out all night ended of with her cousin he wouldn't answer his phone she was behind pisseed because she refused his request to do the home evasion. She was worried about where he was and who he was with. She was tried of the hustle and the pregnancy scare and getting shot in the last robbery. So Hassan and Nikki went to the club Maceo Birthday party he the one who supplies the with guns. Hassan is watching Nikki dance with all the guys dancing with her he pissed and jealous he watching her intently his Careem up to his brother asking why Hassan is starting at Dre girl so hard he plays it off tells his brother it not like that they were great best friend. Careem told him he was looking at her like he was attracted to her and want to be more then a friend. A pretty brown skin sister asking him to buy her drink reply and buys a drink her name is Fiona she ask did he want to sit in VIP section to get to know him better Nikki looks over see him taking to another woman she jealous and can't explain why she look at him and start let some random dude start touching her so he in turn did the same thing a Fiona grab his hand took him to VIP and rock his world. Meanwhile Dre is at Adorable house Nikki cousin because Dre keeps calling Nikki and Hassan phone wondering about why know one answer their phones. Adorable tells him about the party Maceo Birthday Party and also Burt out about Nikki pregnancy scare he missed off because she didn't tell him she also wanted to start between him and Nikki. He gets up and start getting dressed and goes to find her and Hassan at the club. He walks and see another men dancing and touching all over his girlfriend. He livid he see red he has a very teme

I DIDN'T like any character. I am appalled by how many good reviews the book has, everyone is morally

bankrupt and I had no one to root for. Not to mention the action was unbelievable, these jokers would have long since been arrested and sent to prison, their criminal activities are not slick and they would definitely have been caught. I was waiting for there to be a reASON TO be torn between goon and gangsta (not even sure who is the goon or the gangsta) but really she needs to leave both these dipshits alone.

#### **Great Read**

Omg this was definitely a shocker. The real definition of loyalty dies not exist. I am jumping right into part 2 and hopefully revenge is upon us.

### **Nichelle says**

If I wouldn't have been told that Jade Jones was a new author than there was no way that I could tell. Every book that I've read by her has been a 5 star read. This book was a page turner from the very beginning to the end. The twist that came at the end had me completely stunned. I didn't see it coming at all. I'm not sure what to expect out of part two but I look forward to reading it.

#### **Wow...**

Who would have thought that it would end like that? This book was a good read. It captivated my attention n kept me reading till the end! Can't wait to read part 2! Keep up the hard work! ???

### **Barbara says**

Story of how unthought out actions can end up very bad. Follow Hassan, Dre, and Nikki as they fo from childhood into adulthood trying to find their way.....and making life altering decisions along the way.

Story line was good. You can not trust anyone even if you known them for a long time.

### **KayBee's Bookshelf says**

"torn between confusion and ?"

will someone be torn between a goon and a gangsta in the sequel? i would like to see some a bit more character and story development, movement and structure. based in the title, i waited for the angst, the goon

---

to show up or something gangsta to happen.

### **L. (Vacation All I Ever Wanted) says**

For the first few pages I was fooled into thinking this book could be different in the genre. But then too quickly the grammar and editing implode upon themselves. (There is a difference between 'a part' and 'apart'.)

Nikki, Dre and Hassan Chop are three thieves living together. I don't want to call them professionals as that would be an insult to the criminal underworld. What they are are morons who keep making terrible choices. If Nikki is so afraid of an unwanted pregnancy, why isn't she utilizing birth control? It's not rocket science. If the gang is so afraid of getting caught by the cops, why do they continue to leave their hide out and walk around out in the open? While I will admit the ending was a surprise for me, it's a case of too little too late to save the story.

By the way, I don't have any street cred. Can someone tell me which one was the goon and which was the gangsta?

### **Astaria says**

This book is a very good read..literally I didn't want to stop reading. The detailed scenes that the author wrote was good. Being able to visualize the characters helped me feel as if I was connected to the story. The plot was very good..she made it tie all together for some of the questions that was confusing at the begging...ready for the next part.

### **Nychclate says**

True page turner...mad about the ending... :) Will patiently wait for the next installation...

#### **Good book**

I started reading this book not expecting what I got. The characters are pretty complex but loyal to a fault. I hope there's a sequel....
