Wolf's Bane Lynn Leite

With his sister Lexi safe at home with her mate, Gage Cheveyo, Bryce Woodland returns to the Reiner pack to assume his role as acting Alpha. When Drew Weston, the reigning Alpha, returns with his niece, Ashley, Bryce assumes his life will finally go back to normal.

Ashley Freeman is broken in body and mind. Torn apart in an attack sanctioned by her pack's Alpha, she manages to somehow gain the upper hand in the fight. Her uncle's intervention after the attack is the only reason she is still even alive. The good news is her attacker is dead. The bad news is she has just killed Richard Bane, the Alpha's son.

Wolf's Band book 7 of Shifted Series by Lynn LEITE

Absolutely love this entertaining and engaging series by Lynn LEITE and you are going to love reading this whole series too!!!! I'm recommending that you have this whole series cuz it's absolutely wonderful addition to her talented ability to weave lust,love and drama together!?

Sonia says

great continuation to the series. this book has its strong family ties,alpha men and women who love em. this is another quick read that i enjoyed. i look forward to the next in the series.

Wolf's Bane

Lynn does it again, she creates a story that captures the reader. what I like about the Shifted series is true mate feel and accepting their mates after working through their troubles and not letting life and love get in the way of their happiness. I also like Lynn's writing in that we do not spend half the book with characters trying to make up their mind if they should be together or not.

Lynn, thanks for creating an world of family and friends who will always be there for each other.

This story seemed to be rushed with not much of a storyline to it. I enjoyed all the previous books more.

Richard Fish says

Nice followup

I was fondly surprised how this book caught my attention. I really liked the prior book in this series and this one just added to the good tales told in these books very happy to have read them.

Michele bookloverforever says

good novella. the plot was well told and well developed. it was just too short. I like long books at least 300 pages or more at least.

Julie scott says**Wolf's Bane (Shifted)**

It was another good book in this series I can't wait to read the next one.....Witch I will be purchasing soon.

Ann says

I love all the books in this series. The characters are interesting and well-developed. I'm already looking forward to the next one.
