Dear Anna by Jami Berry,

This story about a mother dying, leaving letters for her daughter. It truly touches your heart and brings tears to your eyes. I recommend this book.

A light reading book. Interesting and enjoyable reading. I enjoy reading letters and with the digital age, letter writing is a lost art. Would recommend for teens and young adults to read.

I received this book for free from Goodreads' FIrst Reads program.

I absolutely loved this story. It told about a girl, Anna, who loses her mom to cancer. Her mom left her all of these letters which she opened when they said to. I loved the way her mom gave her a legacy.

I believe anyone who has lost someone should read this book. It really puts your life in to perspective.

LOVED IT!

This is a wonderful book, shows the undying love between a mother and daughter. Shows us that love can span even over death. The mother leaves letters to her daughter to help her through life and through growing up without a mother. This is a quick and easy read, would recommend it to anyone that has lost a mother.
