Homecoming at Hickory Ridge Dana Corbit

All eyes are on Kyle Lancaster. Recently released from prison, he is greeted in town with unease.

But not by everyone. Julia Sims is focused on his good heart, his hard work at the Hickory Ridge Community Church and their unexpected attraction. At first, Kyle thinks he's her new pet project: reform the bad boy. Yet he soon discovers how much firsthand knowledge Julia has of family problems, forgiveness and second chances. Maybe he'll get his own second chance in Hickory Ridge...and find a place to call home.

Michelle Cortez says

i acedently read this book out of order, but i fell in love with this book. "kyle" is my husband, i have brown hair and eyes. also, im a lefty, and he is a righty. it was perfect for me. <3

Allison says

plot all eyes are on kyle lancaster recently released from prison he is greeted in town with unease but not by everyone julia sims is focused on his good heart his hard work at the hickory ridge community church and their unexcepeted attraction at first kyle thinks he's her new pet project reform the badboy yet he soon discovers how much firsthand knowledge julia has of family problems forgiveness and second chances maybe he'll get his own second chance in hickory ridge and find a place to call honme

Jeanette Johnson says

It was an ok quick read.

Karen says

Kyle just got out of jail and is helping with the Hickory Ridge Community Church outreach to inmates. Julia thinks he needs a friend and "fixes" people. Can they both overcome their fears and the stubbornness and disbelief of others?

Renata Pahanish says

loved this one as mush as the others i love the way the world works in all its mystery.....and for kyle he had to believe in god to get where he was taking his faith to the level of trusting the people around him in the end he got the girl lol reconciled with his family and made a ton of new friends
