Darin Miller says

To short, otherwise good

The comic is to sort. I know if it was on tv it would drag out more, but being able to finish it in less than 5 minutes is a bit

Corinne says

As excited as I am for these, I need to wait for a larger volume for these. As soon as I get oriented it is over.

Rachel says

It's good, but each of these is so short I spend a few pages trying to remember the previous story and the ... I'm done. I'm thinking from now on I may wait for a larger volume.

Heather says

Lots of potential in this series. If only these comics weren't so short!

Jesse Deleon says

Fantastic artwork.

Thanks for this 2nd part Mark Haynes I'm looking forward to more of the same adventure reading. A new fan.
