The Supernatural Power of a Transformed Mind Expanded Edition: Access to a Life of Miracles Bill Johnson

Your Key to Unlocking a Supernatural Lifestyle

Many Christians believe in miracles, but they are not accessing the supernatural as a normal way of life. Is this you? Are you ready to experience the miraculous lifestyle that Jesus made available to you because of the Cross?

In *Supernatural Power of a Transformed Mind*, Pastor Bill Johnson delivers powerful and practical teaching, revealing how you were designed to bring heaven to Earth and how it all starts with your thought life.

You will learn how to:

- Enjoy complete forgiveness from sin and let go of guilt
- Access the open heaven over your life and start living as God's dwelling place
- Position yourself for future breakthrough by studying and remembering God's miracles

Your access to a lifestyle of signs, wonders, and miracles starts by changing the way you think.

When your mind is transformed, heaven becomes more than a place you go to one day—becomes the supernatural power that you release wherever you go today!

"This book is needed in this hour as a wake-up call to the 'greater things than these shall you do' promise of Jesus." – Randy Clark

From Reader Review The Supernatural Power of a Transformed Mind Expanded Edition: Access to a Life of Miracles for online ebook

Victoria Brinius says

The author did a great job of making this book easy to understand. I enjoyed that the author presented things in a different way than I was used to. A good example of this is in chapter 9 when the author mentions uses all your senses to make decisions. I also thought that the part on letting go of your guilt was new and refreshing. Miracles happy every day, we just don't see them. This book gave me ideas on how to be on the lookout. I am giving this book a 5/5. I was given a copy to review from The Book Club Network Inc., however all opinions are my own.

Lauretha Ward says

Great Read!!

Highly recommend this read as it unveils revelation and wisdom for renewing your mind. Thank you Pastor Bill Johnson for your ministry in words.

Thomas MacKay says

A Challenging Call to Christ Followers in the 21st Century

I broke new ground in understanding several of Jesus' teachings on believing Him and putting into practice His principles in my time. A huge boost of encouragement to dream and garner ideas to co-labor together with God for a lasting legacy of investment for generations to come. Excellent!

Joan Mcpheron says

This was a good solid timely read on an incredible subject.

LeGal Tudor says

Very good book

I received what I needed when I needed it from this book as a practicing Christian. However, not being a fundamentalist there were a few things with which I did not agree. However, overall I would recommend this

book. The genuinely true spiritual nuggets are well worth it.

Niel Knoblauch says

Very good book! Perhaps the author could have given more information on the nature/details of the miracles to add to their reliability. 4.5 stars.

Chris Via says

Radical!

Jesse Birkey says

Powerful

Deep truth and powerful testimonies make this book not only enjoyable but life changing. Bill Johnson is a strong voice for the kingdom. Get this one!

Cheri Swalwell says

I love how personal God is! I had the opportunity to read *The Supernatural Power of a Transformed Mind* by Bill Johnson this past spring/summer. During the same time that I was beginning this book, our church started a sermon series that complemented the book. It wasn't anything intentional on my part to read this book simultaneously with the sermon series - which is why I said I love how personal God is.

This book is terrific. In my opinion, it's Biblical as it reinforced a lot of the truths that God was teaching me on Sundays mixed with personal, inspirational stories that encouraged me just from reading them. They were told in such a way that I felt as though I was there experiencing the real life events alongside the people they happened to. I grew excited knowing that events that were described don't have to be "extraordinary" but they should be the norm for fellow believers here in 2014. God wants to bless us on this earth - not just with our salvation but also with so much more. Whether or not we choose to accept that blessing - well, that's up to us.

I have been reading it slowly, one chapter at a time, in order to savor the truths God wants to speak to my heart. This is a book that can be read once and much can be gotten out of it - or a book that can be read multiple times and new truths will pop off the page each time, depending upon where I am in my spiritual journey.

This is a great book for an individual Bible study, a book club, two friends studying this aspect of Scripture together, or a family reading it together and sharing different ways God spoke to each one individually. It's wonderful for men, women, and I believe even older children will grasp the truths mentioned because of the wonderful illustrations through true-life events that are shared throughout the pages. If you haven't grown up

in a church where teaching about the Holy Spirit or prophesizing or other blessings that God wants all believers to have was taught, this is a great book to introduce who the Holy Spirit is and some of the reasons why Jesus sent the Holy Spirit to help His children. It explains in more depth and gives greater understanding about the Christians talked about in the Bible who received the Holy Spirit and then went on to wonderful things in His name.

I absolutely loved this book. I realized when I began this book that Bill Johnson wrote another book, When Heaven Invades Earth. This book can definitely be read before When Heaven Invades Earth, but I am curious now and want to read that book also.

I received this book for free from Book Club Network and Destiny Image in exchange for my honest opinion. This book was a true blessing, opening up a whole new depth for me in my personal walk with God. It was an honor to read it.

Doug Powell says

I really enjoyed this book. My reading of it was with a small group and we also had videos and workbook questions available. partial application along the way. This book is personally challenging.

My number one take away (out of many) is our God is one who loves to insert Himself into impossible situations.

Joan says

This is a wake-up call to comfortable Christians. Johnson wants Christians to experience all that is promised in the Bible, including co-laboring with God. He believes the normal Christian life includes miracles, spiritual interactions, and revelation. He gives good instruction on how to move into the ministry of the supernatural. He also tells us what to look out for.

I received a complimentary copy of this book through The Book Club Network for the purpose of an independent and honest review.

Jen Vasquez says

Awesome awesome book...Bill and Bethel continue to inspire, encourage, and educate to live immersed in the powerful presence of God. A must read for anyone wanting to experience the true power of God in their lives!

A.C. Cuddy says

“Many Christians believe in miracles, but they are not accessing the supernatural as a way of life. Is this you? Are you ready to experience the miraculous lifestyle that Jesus made available to you because of the

Cross? Your access to a lifestyle of signs, wonders, and miracles starts by changing the way you think.”

The Supernatural Power of a Transformed Mind is an interesting book. The author, Bill Johnson, presents the reader with biblical references as to how we Christians living in today’s world can access the same healing power and grace that the Apostles and Jesus himself had while they walked this earth. This book is an interesting read with a large number of stories of folks that have accessed this power by transforming their minds and walk in a life of miracles.
