### Trifling 2 synopsis

Sparkle, is back on the scene and has a new love. Ontavious is all that she's ever wanted with the good looks, great career, and a humble spirit. Unlike her ex, he's the type of man that she believes can hold her down and remain faithful. After finding the man of her dreams, she's suddenly faced with a situation that could cause her to lose everything she's built with him. Because of Sparkle's new secret she has to make a decision on whether she wants to continue moving on with her new man, or resolve the issues between she and her ex Sayveon. She's faced with a number of problems that have her confused, but she thinks she can handle it. When her troubles overwhelm her, Sparkle tries to be strong and not fall weak, but it's not easy.

Stephanie, is the older sister of Sparkle and is proud to say that she's drug free. After living on the horrible drug infested streets of Jackson, Mississippi, she's now ready to start a new life and be the mother she hasn't been to her two boys. Although she's hyped about starting over and tries to run from her past, it chases her and test her strength. Stephanie has to deal with several issues that will make or break her. This survivor of drug- abuse finds herself put in a predicament where she's fighting for her life, hopefully she's strong enough to make it through.

Sayveon, the Boss, is back and more trifling than ever. When his child's mother, Sparkle walks away from the long relationship that they once shared leaving him to be a bachelor, he finds one groupie after another. Not only is his swag on a hundred but his nice looks are too which draws the women to him. He may be a magnet for the women, but an enemy is drawn to him too and isn't backing down. Sayveon finds himself in a few deadly situations and the person after him is out with one mission, to body him. So he stays strapped and ready to go, but if he's caught slipping he may be the next victim of the streets.

The second installment of Trifling, finds these characters facing huge obstacles. Some will overcome their situation, but a few will be busted for being just plain ole' Trifling!

### **Keishua says**

**Yes! Yes!**

This series has so much betrayal in it, and suspense. Karma is coming back and getting revenge on everyone. Love it!

### **Taz Will says**

This one really had me laughing hard. Lashunda and her funeral speech was too funny. With the added bonus of Marcus and the abortion mess I was crackin' up. This was entertaining and still filled with a bunch of mess that had me turning the pages. I'll read the next one just to see what foolishness they get into next.

### **Charnee Emery says**

THIS BOOK DIDNT QUIT LIVE UP TO THE 1ST ONE BUT IT WAS STILL GOOD. WHATS DONE IN THE DARK MOST CERTAINLY COMES TO LIGHT & KARMA NEVER MISSES. SAYVEON IS GETTING WHAT HE DESERVES. GLAD THAT SPARKLE IS HANDELING HER OWN WITH OUT SAYVEON & FOUND SOMEONE WHO TRULY LOVES & CARES FOR HER. IM GLAD STEPHANIE HAS GOTTEN ON THE RIGHT TRACK EVEN AFTER SHE FOUND OUT HER BOYFRIEND STARTED USING DRUGS AGAIN BUT HIS MOM & SISTER IS A HOT MESS. LOL BUT THE BOOK WAS OVERALL GOOD WITH DRAMA COMING FROM EVERYONE

**Wow the drama doesn't stop**

Page turner. The plot keeps intensifying more. A page turner. All the ones doing wrong are dropping like flies. Still karma has to reach Sayveon. Losing Sparkle is not enough for all his dirty deeds. Book 3 here I come to see what up next. Pops just dropped dead trying to ruin mama V engagement party.

I like the book but I expected much more. I absolutely loved the first one so I thought that part two would be just as good. It wasn't bad, it just wasn't what I thought it would be. I look forward to reading part 3
