**Lior says**

UM WHAT IS THIS AND WHEN CAN I READ IT

---

**????? ? says**

I can't wait for Maggie Stiefvater to obliterate the bad boys trope. it's time for the bad girls to take over. the secretive and mysterious outcast girlfriend. the street-racing, leather-wearing, motorcycle-riding wife!!!!

**Maggi says**

Another book by Maggie Stiefvater? This makes me really happy, I just freaking love her writing.

So I'll just sit here and wait.

### **Bil says**

Why the heck are people shelving this as a young adult novel when Stiefvater herself wrote on her blog that it is her first **adult** novel?
