## **Hood Love and Loyalty (Hood series) EL Griffin**

Falling in love was never part of Larissa's plan, especially with a thug.

Meet Larissa Bradshaw, a strong-willed hardworking girl. After her parents turn their backs on her she closes her heart to love and becomes determined to make something of herself despite her situation. She meets Messiah "Money" Lawson and everything changes.

Messiah is an up and coming boss in the streets. He's a nigga that's respected and feared by all. From the moment he first sees Larissa he has to have her. The two share an instant connection and can't seem to get enough of each other.

Messiah's lifestyle and desire for money brings jealousy, temptation, and violence threatening to ruin what he and Larissa are trying to build.

Follow Larissa and Messiah on their journey of ups and downs as they fight for the love, loyalty and life they always wanted.

**DTP1908 says**

**What**

Yeah none of this makes sense. Who are Fe and Torrio ? Who shot LaLa? What is Torrio's purpose with Carina? Is that baby even Money's? And where the hell are Draco and Silk!!!

**Couldn't stop reading!!!**

This book had me from start to end. The sexual parts of the book are very detailed giving the reader a great visual experience. I could actually visualize and feel how Larissa felt when Messiah touched her. This book was off the chain already started the second one.

**Tamir A. Shaw says**

Hood Love and Loyalty is the real deal in urban fiction. El Griffin holds nothing back when weaving this sultry and suspenseful tale of young love. Money is a typical alpha male who demands loyalty and respect from everyone in and around his circle. He's impulsive and demanding, and but he also knows that being too careless in the game can get you killed. When he meets Lala, he is at the top of the food chain and expects her to just fall in line, but for her, it proves to be more than just a risky proposition. She is strong-willed and a survivor but he is able to manipulate and charm her. Lala demands commitment and loyalty from him, but for Money, the arrangement is more than problematic. There is no lack of drama on these steamy pages and I can't wait to see how it all turns out.

**Great read!!**

This book is a great read. It's very suspenseful. The story line is great and you don't figure out what's going on with the characters unless you read it.

### **Deborah Montgomery says**

#### **Alrighty Now**

It took a minute but when things started popping off it was on. What the hell, I need to know what happened to LaLa .

### **Stephanie Walker says**

#### **Hood Love**

This was Ok. As I've stated in my other reviews giving reviews is hard to do & not give away some of the story.

Some parts were kind of childish even for a 18 year olds. Especially the life they were living.
