Genial!! Me estaba preguntando cómo se conocieron las Lumberjanes y aquí está...

Me ha encantado la diversidad de familias y el makeover de Ripley!

SPOILERS

Stand alone issue where we learn about the girls and how they became friends. One of the girls, Jo, apparently has gay dads. YEAY!!!! Ripley comes from a huge family full of kids and starts camp out with peanutbutter in her hair. April instantly makes friends with Ripley. Mal and Molly meet up and sparks already are flying. Jo and April already know each other. Ripley's toy unicorn is taken by some animal and the girls all go racing to help her. And so Lumberjanes begins

Now to actually write a bit of a review. Honestly, this is what the first issue should have been. This was an awesome introduction to all of the characters and how they meet up. If you haven't started this series, I really recommend reading this as number one and then afterwards start at the beginning. I really really loved this issue. It was fun, it was a wonderful first look at how the girls met up. A total blast. And I love how GLBT just naturally just shows up and it isn't forced. LOVE this series. Read it now.

Sin duda, este es mi Issues favoritos de esta serie. Me encanto conocer a las familias de las Lumberjanes, como fue que se conocieron y encajaron a la perfección.

Muy divertido.

¡QUÉ CHULO! ¡ESTE NÚMERO ES GENIAL! Me ha encantado ver cómo se conocen las chicas (Mención especial a Molly y Mal *_*).

Los chistes y referencias de esta serie son lo mejor: "I had gum in my hair so I cut off my hair with a pocketknife?? It looked better when Mulan did it??" JAJAJAJA FAN!

SUPER ADORABLE :3 :3 (Bubbles *_*)

Como que aquí debió comenzar la historia, ¿no? De cualquier forma, no importa, porque la buena calidad de ilustración volvió, y yo no podría estar más contento por ello.

Regsly says

Firstly, I was glad to see the return of the artist Brooke Allen, whose art I grew accustomed to and came to love. Carolyn Nowak's art is also adorable, but it was like watching a TV-show whose main actors suddenly changed to really similar ones.

Secondly, I enjoyed greatly getting to know how the Roanoke girls first met, as well as Bubbles; imagining how they grew closer from that fateful day.

Also, all the sneak-peeks into family or their lives back at home is really curious. Like Mal & Molly's conversation pointed out on a previous issue, they can seem really different people back home.

This series promises many more adventures, mysteries, tests to friendship and pasts yet to be unveiled (very curious about Jo).

Read in Lumberjanes, Vol. 5: Band Together.

#13: Beginner's Luck Badge - Backstory. The girls arrive at camp.

A fun and entertaining series.

Gisbelle says

This one was about the girls' first day at camp LumberJanes. I enjoyed knowing the beginning of their friendships.

Basma says

This is a standalone issue and it's probably my favorite thus far.

This! This is what I wanted! First day of Summer Camp and we see how they met.

Favorite character: I liked them all but I think my favorite was April.

Favorite part: I love seeing how they all fit together like beautiful perfect puzzle pieces. Also, the original style is back! Will this be the case from now on or was it just for this number? Please, keep it this way!
