Discover Jesus In Every Book of the Bible

Jesus isn't just found in the gospels of Matthew, Mark, Luke, and John. His presence can be felt throughout the whole Bible, even in Genesis. *The Jesus Bible* contains the complete New International Version (NIV) with daily study helps that point to Jesus and show how he fulfilled the prophecies for the Messiah found in the Old Testament. A perfect way to see the overarching narrative of the Bible, *The Jesus Bible* includes these features:

Presentation page for personalization and gift giving

Book introductions explain where Jesus appears in each book of the Bible

365 devotions revolve around the "sightings" of Jesus in the Old Testament and his life and teachings in the New Testament

Application notes to help apply Jesus' teachings to real life today

Hundreds of clues highlight the promises/prophecies made about Jesus in the Old Testament and the fulfillments in the New Testament

Index of the Old Testament prophecies fulfilled in Christ

List of Jesus' miracles and parables

Timeline of Jesus' life

Lineage of Jesus

Concordance to help find key topics, people, and events in the Bible

Sally says

This hard cover Bible is sure to inspire your young Tween to Teen Child. It shows Jesus' words in red. It is set up like an adult Bible with helps such a table of weights and measures, index of devotions, index of hints of the Savior/Jesus revealed, concordance and much, much more. There is also a listing of the books of the Old and New Testaments in order and also in alphabetical order.

I loved reading through this Bible. I was especially impressed with all of the study helps in easy to understand format. One of the things that I really loved was the simplified "Family Tree of Jesus". It was so easy to understand, showing the father's line, God's line and mother's line. I also liked the Miracles of Jesus page, and the Time Line of Jesus' Life. The Bible ends with pictures of the Biblical times maps.

There isn't anything that I didn't like about this Bible. I really wish that KJV would publish a Bible like this for children who attend church where they use only the KJV Bible.

Disclosure: I was given a copy of this book by the publisher, ZonderKidz, for an honest review. I was not required to write a favorable review nor was I compensated for my review. The opinions in this review are my own.

Richard says

Don't let the title fool you. This is not the Bible Jesus used nor an encyclopedia of Jesus. It is, however, the full Old and New Testament in the New International Version that gives pointers to finding Jesus in every book of the Bible.

It was produced with kids in mind. The words of Jesus are in red, there is a nice concordance in the back to help with topics of interest.

Each book has an introduction that provides the "Where's Jesus in...", quick devotionals are scattered inside, application boxes to help someone "live like Jesus" are found with the text and there are guide posts: "hints of a Savior" and "Jesus revealed" that give a fuller look at prophecy and fulfillment in Jesus.

This is a fun hardback Bible for pre-teens and young teenagers to use in their studies.

It will fit most medium-sized covers.

You don't get the glossy images typical of a "kids" Bible but you get what you can take right?

This book was provided for review, at no cost, by Zondervan Publishing.
