His passion is like no other

Everything has come easily to Ashton Rollins, the handsome, überwealthy heir to an aeronautics empire and president of the Millionaire Moguls. The only thing his riches can't do: help Ashton put a tragic accident behind him. Petite, sexy Haley Adams is the first woman to truly intrigue him since he lost his fiancée. Until a secret about that long-ago night resurfaces and threatens his picture-perfect world...

Haley's charity work is worlds away from Ashton's palatial home and jet-setting lifestyle. He's introducing her to fabulous vacations, exquisite cuisine—and a simmering seduction that leaves her craving more. As power struggles within the Moguls collide with family revelations, Ashton realizes that Haley's the one thing he can't bear to lose. But is she willing to stake everything on the enigmatic man behind the fantasy?

It's a really good read.

Shannan Harper says

Ashton Rollings story about the Millionaire Moguls. Enjoyable.

Biggaletta Day says

Great book and well written. I just find the morality of the payoff questionable. Without giving away the story there is a big family reveal at the end but no one is held accountable, and that really ticked me off. The hero was still happy to hide behind his family wealth, blame his scheming parents and have a HEA after the reveal....

Also the hero Ashton was weak, and a mummy and daddy's boy. I'd say weak in the sense his parents still controlled and manipulated him, even though he was a grown man. However he wanted to live that life. He wanted all the trappings of wealth and power his family gave him. He wasn't man enough to step out in the world alone and establish himself. I think that was half trouble with this dude. Good luck to Haley with dealing with him and his mama.

Read other critique for a balanced view. As I said it's a great book, but I'm not sure of the underlying moral compass.

Leigh-Anne Ford Lyons says

Through thick and thin.

This is great love story. This book was well written and held my attention until the end. I am glad Haley stood by her man through thick and thin because that is the true meaning of love.

Another awesome read from one of my favorite authors, Pamela Yaye!! I love Ashton and Haley's love story. The moment he looked in Haley's eyes he was a goner and he knew that he wanted her to be "his woman"! Not only did he wine and dine her, they really became soulmates. However, he needed to heal from the loss of his dead/ex-fiance, and Haley was just the person he needed to help him move on with his love

life and vice versa! VERY nice ending to this series!

Grace Augustine says

Great Read

This is the first book I gave read by the author I will be reading more of her work. This is the third book in the Millionaire Series the books were well written great series. The characters Ashton and Haley had great chemistry and the author really brought them to life on the pages I would not put the book down. You will love Aunt Penny, and all three of the Moguls Daniel Joshua and Ashton patched up their misunderstanding to make their organization stronger not to forget the three strong women they were married too. READ THIS BOOK AND THE SERIES.

Loved it!

Read it in one sitting

Joyce Hudson says

Loved this series Millionaire Moguls.

Joshua from "A Miami Affair" had not liking Ashton but the more I read "Secret Miami Nights I fell more and more in love with Ashton.

So glad that unresolved issues that were surrounding the death of Mia and not only Ashton fiance'e but a good friend whom Daniel cared a great deal for was finally resolved.

Haley and Ashton are really good for each.

Can't wait for the next books in the series "Seduced in San Diego" by Reese Ryan release date of March 20 2018.

Tamla Jones says

Romantic

Another great love story in this Sexy Series. Ashton and Haley made a very nice and Romantic couple. All the women in this series so far have been strong and independent the exact qualities these millionaires need.

Edrenia says

Great

This book was better than the last book I can't wait to read the next installment yes I would recommend.

Selina Durio says

Wonderful HEA

The Millionaire Moguls series is written about the same group of men, but by different authors. Oft times when series are written in this way there are some glaring inconsistencies. I'm thoroughly pleased that in three books the authors have remained consistent in the fantastic story line. It is important that these stories, even though by different authors, are read sequentially. If they are not some parts will not make sense.

This installment answered a number of questions presented in the first two books. We finally learn what happened with Ashton and Mia and how this resolution impacts Prescott George. This installment also gave us a better glimpse at the type of person Aunt Penny is and why she is so important to Ashley. Can't wait to read which mogul is next.
