Sex Criminals #2: Come, World Matt Fraction (Writer) , Chip Zdarsky (Illustrator)

So who's the boy with the same sexy-time time-stopping gifts as Suzie? Meet John, who until last night thought he could freeze time with his junk. At long last not alone, what kind of horny hijinx will he and Suzie get up to together? What ANY of us would do if having sex stopped the whole world: We'd do crimes.

Lani says

As good as the first. Real honesty and candor about early sexual perceptions and missteps. The Q & A letters at the end are gold, too.

Sam Quixote says

One of the year's best comics continues as we get Jon's story in this second issue and the introduction of the maybe-bad guys. Featuring some of Fraction's best writing and the awesome art of Chip Zdarsky, Sex Criminals #2 is a triumph. Read the full review [here!](#)

Ashley Reid says

"You are reading Sex Criminals Cumworld like a boss. A boss of being a pervert"

Yep, that me. I felt like a child hiding porn when my mom came in and saw me reading this. Definitely one of the more awkward moments in my life.

I'm still loving this comic. Can't wait to read the next one.

Emily Dones says

A little Cringy

juan carlos says

En este número conocemos la adolescencia de nuestro protagonista masculino y como se dio cuenta del don que tenía.

La verdad en esta parte de la historia no avanza mucho, sin embargo el final te deja con ganas de leer el tercer número, espero se ponga mejor.

Valeska says

I LOVE JOHN.

Bradley says

Character development! What we have here is a basic difference between getting off between the sexes. One's normal, the other is just depraved. I'll leave the distinction to everyone else out there. :)

Christina says

I read it because I already had it from the library. It wasn't better than the first one.

Nadia says

3.5

Very interesting story.

A++ for the sex positive female character, and for the teenagers figuring out their sexuality, how the story shows how hard it is because of the lack of resources and help.

Read the two issues back to back and together I give them 4 stars. Can't wait to see what's next. (Also I have a new otp ha).

*Re-read August 2014. Bumped to 4 stars. Love the art + writing.

Clacie says

I'm glad Jon and Suzie found each other.

Callie Rose Tyler says

Issue #1 Sex Criminals #1: Suzie Down in the Quiet was the backstory of the female half of this Bonnie and Clyde, this issue gives the reader Jon's backstory, which I did not find as enchanting. Perhaps I am just drawn to Suzie's story because I am a woman. I do not dislike Jon, I just did not find him as interesting. Last issue the reader watched these two get together and in this issue we see their relationship develop further.

I will say that both characters read as very genuine and real. Overall, this comic is too interesting and unique to put down.

Side note: I love the humor that runs from the front cover to the back, with the highlight being the recap from the last issue something I often skip in other comics.

Witty and fun.

5 Hilarious-Stars! ?????

There was so much funny stuff in this book, so i'll just state the funniest snip-its.

I giggled when Jon started describing other words for self-pleasure and Suzie kept asking 'what?': masturbating, self-abuse, jerked off, rubbed one out. Lol. "Self-abuse" had me laughing out loud! Haha!

"I thought sex was something like taxes: a thing grownups did. I just hadn't figured out why i wanted to do my taxes so goddamn bad." Hehee

Lol, i didn't see the point in a "2 for 1 Testicle-Shaped Dildos Sale." I mean, i only have 1 p.... oh.... never mind. :)

I thought it was hilarious when Jon's apron read 'LICK THE CHEF he's your master.' -Hahahahahaaa!

Craig Maxwell says

This volume was a lot funnier and a lot more playful, you can relate to the characters a lot more than the first volume! I found myself properly chuckling at the scene in the comic book store!

Jenny Lynn says

This comic is weirdly wonderful and refreshing and you should read it...but only if you're not easily offended.

Melissa says

Even funnier. And, no - still definitely not for kids.
