Tomorrow and Always

Rachel Ann Nunes

Tomorrow and Always Rachel Ann Nunes

Anyone would think that Karissa and Malcolm have the perfect life. Young and successful, they've built their dream home on beautiful Kodiak Island in Alaska. But behind closed doors it's a much different story. Unable to have children and inactive in their religion, Karissa and Malcolm's marriage is beginning to fall apart.

When Jesse and Brionney Hergarter move to Kodiak, Karissa senses a kindred spirit. With Brionney's friendship and support, Karissa feels a growing desire to return to activity at church. But this means confessing a sin that has haunted her for years—the one sin that could drive Malcolm away forever.

In *Tomorrow and Always*, best-selling romance author Rachel Ann Nunes has crafted another dramatic and emotional novel about heartache, hope, and one woman's urgent desire for forgiveness.

Michelle says

A great book. The themes of forgiveness and love were very well addressed. Abortion is a difficult subject, and Nunes kept it real. I was captivated by this story.

Sheri says

Her books always make me think. Great story.

Katie W says

A story of a woman's journey to forgive herself and find her way back into the LDS church.

Missie Twitchell says

I actually didn't finish this book because I am not a mormon, and it seemed to be geared toward them.

Jennifer says

Own: Book/Tape

Liesl says

I really enjoyed the Ariana series. All of the books are hard to put down.

DKM says

This story is filled with doctrinal errors.

Charissa says

Karissa and Malcolm seem to have it all—successful careers, a beautiful home on Kodiak Island in Alaska, but behind closed doors their marriage is falling apart. After years of being married, they still have been

unable to have children. When the miracle happens for them, wilting love revives and blooms...but complete happiness still eludes Karissa because of a terrible secret in her past...a secret so terrible she is afraid she will lose Malcolm if he ever discovers the truth about her. Great book that touches on sensitive subjects like infertility, forgiveness, etc.

Nicole says

I really enjoyed this! Very clean LDS book!

Chalese says

Good easy read

Susan says

It's difficult to think that anyone would choose to have an abortion especially someone raised in the church. I was glad that Karrisa and Malcolm could come to terms with their grief and finally forgive each other. This book dealt with some really hard gospel issues. I was delighted to know that Brionney and Jesse finally got their twin boys! I like those two a lot.
