A Trick of the Light Carolyn Brown

Angels would have trouble getting along with Micah Burnet, and Tempest Lavalley's halo is twisted plumb out of shape by the time she gets to the plantation where her two married sisters are living. Micah was the handsomest of the three outlaws who escorted her and her sisters from San Antonio to Louisiana but he also has the biggest ego. Add that to Tempie's fiery temper, and the two could burn down the whole western half of Mississippi.

Micah isn't happy about Tempie coming to the plantation, but it's a big place and he can stay out of her way ... right? Wrong! He and Tempie are drawn together the minute he shares a deathbed confession with her. He knows that little apparition appearing over her head when she's being nice is darn sure not a halo but just a trick of the light, so why does fate keep throwing them together?

Kurt Reincke says

Delightful

It was fun to read and the way the writer seemed to capture the moments and to tell the story with humor and charm. Loved Tempest and enjoyed the whole story.

Cindy says

Tempest and Micah

I really enjoyed this book about the third sister being friends with Micah, having a temper and getting into fixes.

Casey says

Thank you, Carolyn

Thank you for these new friends I can visit any time I need it.
Tempest is a woman after my tomboy heart.

Dorcas says

THis is the third book in Carolyn Brown's trilogy, starting with "Wine To Water" and then "Walkin on Clouds". I would recommend all three books as they're clean with plenty of adventure, strong characters and romance.No preachiness whatsoever.

My only criticism for this book is there's a lot of "re-cap" of the other two books.So if you've read the others you'll be a bit antsy for the author to get back to the current story. But it's a helpful thing if you havent read the other two as it makes each book stand alone. All in all its a great series and I enjoyed all three books.

Connie S. Koog says

Lights of and Angel!

This was a fun read and I have enjoyed it very much. as usual Carolyn has impressed me with her writing.

Donavon Barker says

Darling read

Great wild West romance used darling like we do here in Texas love all of Carolyn Brown's books ? enjoyable experience

Trish says

Fabulous finale

This one can stand on its own, but it is a wonderful story to wrap up the trilogy. Several surprises and a couple of extra weddings made it better.

Betty Hansford says

Fantastic!

I like an adventurous book, and this story was just exactly like that from beginning to end. This was a good way to spend a sleepless night. Mrs. Brown, I can honestly recommend your books to anyone who inquires about books that Interest me. You're good at telling a story. Thanx much.

dyanna hughes says

Another great story!

This may be the best one yet. Wow this had everything a woman would want in a love story. This was a perfect read. So sorry it is over though.

Book Review Diva says

"A Trick Of Light" by Carolyn Brown

Micah Burnet thought that he had a wonderful fiancée who loved and cared for him. Micah could hardly wait to marry his fiancée, Sally, and make her his wife. Unfortunately, Micah will not get the chance to marry Sally. Out of no where his beloved fiancée becomes gravely ill, and has only hours to live. Right before Sally passes away she requests to speak with Micah, she needs to confess a horrible secret that she has been keeping from him. Sally is only telling him this because she promised God that she would confess her secret on her death bead. What Micah hears from his dying fiancée is so startling that that it changes how Micah feels about his fiancée. Before Micah can even digest what Sally just told him, he grabs his horse and rides out to a open field with no one around and tries to

come to terms with what he had just heard. Micah starts to wonder if Sally ever truly loved him, or if she even felt an ounce of guilt for what she did to Micah and his family. Instead of grieving like a normal fiancé Micah starts to turn to anger and bitterness. Why would Sally even tell him her secret and do this to him after the way he felt for her. As Micah starts to figure out what he should do next he hears horse hooves and wonders who would be out this early in the morning. Well, it's the last person that Micah wants to see. Riding up to him while he is in the field is Tempest Lavalley, the biggest thorn in Micah's butt.

Tempest Lavalley is wondering why Micah Burnet is out so early in the morning and is wondering if there is something wrong with him. Tempest is not happy that her morning stroll with her horse has just been ruined by riding up on Micah Burnet. Tempest does not like Micah, she thinks he has a huge ego and she is constantly at odds with him. What Tempest does not know, is that Micah is about to reveal a secret that his fiancée just told him on her death bed, and it has turned his world upside down. Micah is going to tell Tempest this secret. What Tempest hears rocks her world as well and wonders what Micah is going to do now that Sally has passed away. Micah already knows what he is going to do. He is not going to mourn the loss of Sally, and he won't even attend her funeral because he is so mad. He has also made a promise to himself to never trust another woman ever again. Tempest is shocked that he is not going to her funeral and immediately tells Micah that he needs to act like the grieving fiancé, and show everyone that he is upset about Sally dying or he will draw attention to himself and people will start talking.

Both Micah and Tempest have decided that they will not tell anyone what Sally told Micah and have made a deal to keep the secret just between the two of them. What they don't know is that the secret that they are keeping will bring them closer together and ignite sparks between them.

“A Trick Of Light” is a very charming read. This book illustrates that you should never judge someone until you get to know them. That you might even surprise yourself with what you may have in common. Micah and Tempest are two unlikely people who would never get along with each other, but a secret will bring them closer together. This is a fantastic romance novel, I will be recommending this book to all of my personal friends so they can read it.

Donna Page says

Great old fashioned love story.

It is a life style that is in the past. MS Brown has an awesome way of bringing it to life so we can all relive those days. I love a great story that is a look at how we came to be called Angels and Outlaws. D.Page

naomi ashcraft says

Great read

I totally enjoyed this series. Carolyn is a wonderful writer. I enjoy a good romance without all the excess sex scenes and she does a great job at keeping you entertained and intrigued.

C. says

Each of the three novella length stories in this trilogy is a fun read.

Well developed characters, and good banter. Clean reads, and this last one has a little added touch of mystery/suspense.

Highly recommended for those cowboy-lovin historical romance readers.

✿ Crystal ✿ says

2.5 stars. I enjoyed the plot. This book varied from the first two so I was thankful for that. The characters were fun and enjoyable to read about. This is listed as a Christian Romance and it doesn't have much of a Christian theme at all. It is a clean romance, but by no means preachy or religious... just good people trying to live an honest life.

Tommie Morris says

Angels & Outlaws Series

I love all of this dear ladies stories..... This one is no different! An excellent tale from the past....very intertwining love story....I gave it my 5 stars....don't miss a delightful story about 3 sisters & 3 cousins. Enjoy!!
