Biochemistry Denise R. Ferrier

Lippincott's Illustrated Reviews: Biochemistry is the long-established, first-and-best resource for the essentials of biochemistry. Students rely on this text to help them quickly review, assimilate, and integrate large amounts of complex information. For more than two decades, faculty and students have praised LIR Biochemistry's matchless illustrations that make critical concepts come to life.

Marc Incitti says

I read this book for the first part of the Cellular and Molecular Basis of Life in my MD program at Geisinger Commonwealth School of Medicine.
