The Complete Funky Winkerbean Volume 8, 1993–1995

Tom Batiuk

The Complete Funky Winkerbean Volume 8, 1993–1995 Tom Batiuk

In this eighth volume, Funky Winkerbean continues to move forward in real time, tackling issues of relevance and substance with characters whose lives are increasingly fateful and destined. Funky has placed Batiuk at the forefront of a new genre in comic art history as the strip pursues stories ahead of their time: guns in schools and teen suicide. The humor in Funky continues to grow as it evolves from sitcom gags to a deeper and more engaging behavioral style of humor.

Allie says

Oh my gosh, what a beautiful set of Funky Winkerbean !

I had a dinner party a few weeks ago, and everyone grabbed a book, many laughs and JOY !! It's a wonderful gift that I have received and I am so very grateful to Mr. Batiuk and Goodreads for bestowing these to me ! Thank you so much !!!

Gratefully (for sure !)

Allison
