## The Wedding K.E. Saxon

This is PART THREE of a SIX PART SERIAL NOVEL. They must be read in sequence in order to understand the story.

**PART THREE:** The threat of clan war brings Daniel and Maryn together in matrimony and draws Daniel into the Maclean fold.

Set in the turn of the thirteenth century Scottish Highlands, this is the story of Daniel MacLaurin, a handsome, rugged warrior-laird haunted by his past, and Maryn Donald, the beautiful, high-spirited lass destined to help him find his heart's ease.

After his mother and grandfather, the only family he has ever known, are viciously murdered in a surprise invasion when he is a lad of 13, Daniel spends years focusing on training as a warrior and rebuilding his fortress, determined to control the world around him so that nothing like it will ever happen again.

Maryn Donald is a wild child; a lass who, as the only offspring of her widowed father, has been indulged in her high-spiritedness. So much so, that she takes matters into her own hands when she sees that the neighboring clan is mistreating their horses. She impulsively steals them and then, as recompense for her crime, must wed the powerful, wealthy young laird about whom she's heard such disturbing rumors: Daniel MacLaurin.

HIGHLAND VENGEANCE is a steamy adventure romance, but it is also a family saga. It's the story of how a man overcomes the horror of his past to find love, connection, and contentment once more.
