Volume 12 was great - we really got to see Sumire's confusion about her relationship with Hasumi, Hasumi realises that he cares for Fukushima, and Momo confesses his love for Sumire. Relationships crumbled, and now with Momo leaving for Belgium, Sumire has to come to terms with her feelings for Momo and his absence.

A great volume, and I'm really looking forward to seeing where this series will end!

Oyceter says

I'm a little on the fence, as I don't quite like where the series is going in terms of gender dynamics, but I like other bits.

Spoilers! <http://oyceter.livejournal.com/633933...>

In this volume Sumire makes the ultimate decision between Hasumi and Takeshi, which will decide her future in a big way. With each chapter moving the story along in a big way, I found this volume to be particularly interesting. Even Takeshi is taking steps to move on and start a new chapter, evolving from pet to potential partner.

Very excited to read more and discover how Sumire's new life decisions will affect her future.

Miss Susan says

what a good breakup scene! just the two of them quietly and tearfully acknowledging that they can't continue their relationship. i actually felt like it was a better expression of sumire and hasumi's love than i'd seen in the past half dozen volumes, like you could see how much they cared and were heartbroken over having to end things. dunno how i'm feeling about the sumire/momo developments. on the one hand obviously i ship it, have for awhile now but. that was in the context of their weird and lovely pet dynamic. it's a shame ogawa's decided that their developing their relationship further meant making them more normative like i guess that's one way to do it but...

:/

3.5 stars

Volume 12 is a cliff hanger that shook things up a bit! Relationships are all topsy-turvy - what is Sumire going to do now that the playing field (and the players!) has changed so dramatically? Or is it that they have become more true to type? Maybe a bunch of wrongs do make a right? Just what is Sumire looking for in a man, anyway?

And what's up with Sumire's sister, Akane? There's a subplot there, and only two volumes left in which to resolve it! ;)

Review chapter 66

Waduh cewek plin-plan iniiii.... Sebenarnya mau dilema sampai kapaaaannn sih???? Sebenarnya di vol 3-5 itu udah kerasa bgt cewek ini aduhai bgt plin-plannya. Ini udah 12 vol masiihh aja blm bisa mutusin siapa yg dia cintai. Padahal jawabannya udah gitu jelas non!!! Dgn siapa kamu merasa paling nyaman dan bisa jadi diri sendiri, dgn siapa kamu ingin bersama ketika dunia ini kiamat.

Senpai-mu itu cuma ibarat dreams come true, dearr. Begitu indahnya sampai kalo dilepas rasanya ga rela ya...soalnya cinta pertama sih... Sudah ngomong mau berusaha jadi diri sendiri di dpn senpai tapi kok cuma niat aja, usahanya tdk ada....

Omg, aku paling lelah baca kisah heroine model gini. Tipe cerita begini harusnya ya cuma 4-5 vol udah cukup deh... sampe 14 vol itu udah bertele-tele bgt krn masalah utama ga pernah ada solusinya selama 12 vol, curiga ini bakal baru ada solusi di vol 14? Kuharap di vol 13 udah sadar lah cewek bloon yg lbh parah dari Bella ini. Rating seri ini naik turun bintangnya, dari 5 ke 4 ke 3 gara-gara ga tahan dgn cewek ini.

Yg ga suka tipe heroine gini ga direkomendasiin baca seri ini. Tadinya kukira dia bakal udah milih Momo di vol 4-5 gitu trus kukira juga plot ceritanya bakal berlanjut tentang masalah yg dihadapi mrk berdua yg menantang kedalaman cinta mrk berdua, tapi ternyata bukan... Selama 12 vol si heroine ini galau-galau ria. Kalo lagi ga fokus di romance dia dan cowoknya, ceritanya biasanya kukasi 4 stars. Tapi klo dia uda mulai dilema akut, 3 stars. Sori, muak daku dgn heroine kek gini. Makanya aku utk sementara stop baca novel YA M/F/M gara-gara ini..suka ada episode galau milih yg mana.

Review chapter 69

Buset dah cewek ini. Setelah nampak foto cowoknya gandengan dgn cewek lain itu dia ga pake confirm dulu kebenarannya ke cowoknya tapi langsung main putus. Where's the trust??? Tanya dulu kek. Padahal cowonya setia gitu biarpun dikejar2 dan dipaksa supaya terima cewek lain itu sebagai 'peliharaannya', at least dia ga pernah mcm2 ato nyentuh cewek lain itu. Lalu tiba2 heroine kita ini pun ngaku klo dia bohongin diri sendiri juga selama ini ke cowoknya. Dan minta putus. Dgn lihai dia tdk mengaku klo dia punya peliharaan juga yaitu Momo di rumah. Wew. Klo dibilang yg paling berdosa dan bersalah di sini tuh kamu, non. Mainin hati org, sampe segitu lama pula.. Makanya sudah kubilang tipe cerita gini lbh bgs klo pendek dan singkat aja, dan lbh bgs klo tdk berlarut2 dilemanya, di awal2 seri harusnya udah milih salah satu krn yg bohong gini ga bakal bisa disembunyiin terus2an.

Susan says

I must get my hands on the last two books as soon as possible.
