Katerina Ilieska says

this is probably one of the most hilarious books ive read on One Direction. The facts aren't even true and i honestly dont find that shoking. In the words of Liam Payne " go get a proper job u dicks" :) x

Daevora Hossana says

Bought this last September last year and I just updated it here in my shelf on Goodreads.. It's really funny though, because there are some facts that are really hilarious...
