## Myassar says

I am not now who have been before reading this novel, I dare to say that this novel has changed something noticeable ( at least to me) in myself.

through reading the novel, I have been searching the real me(?????) , taking masks off, removing others' remains hanging on me. I found answers to some of my vexed questions. I felt the heaviness of( ???) and the lightness of( ?????).

It is the first time that I see such a harmony between a novel and its cover design; both convey exactly the same message. whenever I contemplate the cover design, I feel that I am diving deep inside getting the treasure(?????) highly up.
