T.A. Barron

Doomraga's Revenge T.A. Barron

BASIL'S ENCOUNTER WITH EVIL...

No longer an unknown little lizard, Basil is now a powerful dragon. His majestic wings, gigantic tail, and jewel-bright eyes fill the sky as he and his loyal friend, Merlin, defend Avalon and strive to save their world. But Avalon is falling into chaos as battles erupt among the dwarves, the fire dragons, and the normally peaceful faeries. Basil suspects the troubles are all linked, but he must find out how. Unfortunately, the answer lies deep within the haunted marsh where Doomraga, a shadowy beast, plots his revenge.

"No one can compare to Barron when writing about Merlin or Avalon...His many fans will gobble up this new offering."

-School Library Journal

From Reader Review Doomraga's Revenge for online ebook

Audrey says

...Disappointing. I love T. A. Barron, this just didn't cut it. :/

Derek says

Excellent book, but the ending leaves the reader annoyed with the author: just as we finally find out who/what the heck Doomraga is, wham! white space. The next book better be coming soon, for the author's sake. But all in all, a good book.

Samantha says

I love the Merlin stories, but not a lot happened in this one and it felt very short.

Evelina Stukanova says

AWESOMEEEEEE

Bill says

One of my biggest pet peeves about reading fantasy books is that they spend so much time extending the series, a lot of times nothing really happens between the covers. I guess, since this is a Y.A. title, there has to be a lot of action. There is, and it's pretty good. Also, Barron's Avalon is a bit compelling.

Olivia says

This is the second book in the Merlin's Dragon trilogy. This is where Basil is trying to protect Avalon from the fire dragons. The fire dragons were tormenting the dwarves. They wanted all their gold. Basilgarrrd the biggest dragon in all of Avolon is trying to defeat them.

Bethany Wade says

The last chapter of this book made me shudder. Totally, disgustingly evil.

Rebecca Salazar says

This book was even better than the last one and I found myself on the edge of my seat. However, my main problem with this book is that the search for Doomraga was far too drawn out. I also didn't like the fact that Merlin's wife died in this story. I think that was a pointless move and it didn't make me sad, just angry. I think that she should've lived. I want to see how the romance between Krytallus and the Queen of the Elves played out in another book series because it was just a tidbit of what it became. The book was good overall, but I was still made that Merlin's wife died.

Elzbeth says

HAHAHA! So... I didn't know that this was part of a series when I started reading it. Despite that, however, even though I was a tad confused in spots, it was a pretty good book. Now I'm a go find the first book...

Paul Lunger says

The 7th book in T. A. Barron's Lost Years of Merlin saga, "Doomraga's Revenge", finds our friends Basil & Merlin exploring Avalon to find out the causes of various problems within Avalon. We also have the slow rise of the evil Doomraga who remains mostly a background force that is slowly lingering. Barron's tale is a quick moving enjoyable one which shows us more of the varying aspects of the kingdom & the decisions which have Merlin headed toward Earth. For Basil, though, this story is again his as we the reader get a chance to witness his continued growth & progress into a knowledgeable & brave dragon who is aware of what he has to do. Overall a very enjoyable entry in this series.

Marikka says

Kinda of fast pace, but still good :) I can't wait for the third book!

Robert says

Book Review: i think this was a great book. I really enjoyed how everybody cooperated to complete one goal, which was to save Avalon. In the book the dragon and Merlin have a strong connection due to precious events. This connection allowed them to save Avalon and restore peace. During their journey Merlin and his dragon friend really got to know each other. I would recommend this book to anyone and it was just amazing.

Plot summary: The plot was amazing. The setting was in Avalon and the opening exposition was just great. In the exposition Basilgard the mighty green good dragon fought a bad dragon and gave back hope to the dwarves. During the rising action Basilgard reunites with hos friend Merlin. So then they begin to travel and

start to help cities regain their strength after dealing with fire dragons. The climax is when Merlin finds his sister and beings to restore peace everywhere. And in the end everything turns around and things are wonderful.

Chrisann Lamb says

Does Doomraga Prevail?

I enjoyed Doomraga's revenge. The hardest part is being a bystander as Merlin and his son sever their familial ties. Basilgarrad does his best to save Avalon, but will it be enough?

Sherry says

Love the Merlin series of books. Read this one in 2 days September 2013.

Natalie C. says

Much better than the first book in the series, a good second book to the trilogy.
