**Evidence of Desire** Pamela Yaye

**Law Number Two: Love Writes Its Own Laws!**

Azure Ellison may have undergone a total makeover, but she never expects to be romanced by Harper Hamilton, her former prep school friend. The ambitious journalist is after a career-making story about Harper's powerful Philadelphia family. But the charismatic attorney wants something from Azure in return: her vow to become his lawful wife in a marriage of convenience!

Harper can't believe the girl he once knew has transformed into this stunning, self-assured beauty. The long-time bachelor has his own reasons for proposing, but Azure has awakened a desire he's determined to consummate.

With the paparazzi eager for the wedding of the year, Harper's ready to start his honeymoon. \*Until a breaking scandal about the Hamilton dynasty threatens his marriage to the woman he now wants to have and to hold forever...

*The Hamiltons: Laws of Love Family. Justice. Passion.*

## Kim says

Pamela Yaye has yet to disappoint me. This book was such a page turner from the very beginning. I didn't read the summary of the book prior to reading it, so the whole marriage of convenience storyline was a total shocker for me. I didn't expect it at all so it made the book even more enjoyable for me. The chemistry between Harper and Azure was palpable. You could seriously feel the steam coming off of the pages whenever they interacted. Their love scenes were on fire also. They were probably some of the best love scenes that I have ever read in a Kimani Romance book. They really pushed the envelope and were extremely erotic which you normally don't see from Kimani Press so that was a welcome change. Overall this book was gr8 and a must read.

## Beverly says

Evidence of Desire by Pamela Yaye offers a poignant portrayal of a relationship of a couple each burdened in their own way by self-doubt. Ambitious journalist Azure Ellison, looking to take her career to the next level, accepts an unsavory follow-up assignment targeting Harper Hamilton to reveal family secrets. Accomplished attorney Harper Hamilton is more than happy to accept a meeting with the deliciously sexy Azure, as he cannot get her out of his head since meeting Azure at a photo shoot. As sophisticated Azure and gentlemanly Harper cautiously flirt their way through the meeting, warning flags abound for both. When Harper figures out the true nature of the Azure's assignment and a secret Azure's been hiding from him, he proposes a story that will benefit them both. All ears, Azure is stunned by his next words, "Marry me." The proposed marriage-of-convenience would only be for three months, and the whirlwind courtship, marriage, and breakup would be a no-strings attached platonic arrangement. Azure would get to keep her job and advance her career. Harper gets free press coverage and a leg up over his cocky cousin. The question left on the table is how will Azure and Harper handle the simmering sexual chemistry they both have been avoiding?

I enjoy how Pamela Yaye writes characters that are accomplished in their own rights but inner securities bruise their self-esteem. Azure's image-obsessed mother constantly berates her about her weight and compares her to her world-trotting sister; Harper's father is never satisfied with Harper's successes and makes his praise conditional on surpassing Harper's flashy cousin. It will be a bumpy road for the couple to realize their own worth and their love for each other. Sometimes the reader may be upset by the actions of the hero and heroine and the ending might seem a little abrupt, but the passion between the couple is steamy and juicy enough to keep readers turning the pages.

As the second book in the Hamiltons continuity series, this book provides a little more intrigue into the secrets hinted at in *The Case of Seduction*. I am enjoying the inner turmoils of the Hamilton family and this adds another dimension to the story between the heroine and hero.

I recommend this book for romance readers who enjoy rich tender stories with a bit of spice.

### **Brenda says**

Loved this book. great read, great sex scenes...

---

### **Harlequin Books says**

Miniseries: The Hamiltons: Laws of Love

---

### **Nikita Isaac says**

Great book

---

### **Shawnette says**

An INTRIGUING enough sequel to The Hamilton's: Law of Love Series...I thoroughly ENJOYED the energy between Harper and Azure...despite their "fake" marriage Harper plays the devoted hubby to the hilt...he showers Azure with LOADS of romance and an unconditional love she's NEVER experienced...unfortunately some of the character "conflicts weren't brought to a SATISFYING conclusion...and the ending seems a bit RUSHED...but it's still a SWEET read...and I'm a little TEMPTED to read the third and final book in this series.

## **Samantha-Leigh Anderson says**

Good book, enjoyed it, as a second part. Cheesy and predictable in the most wonderful way

Just how I like my books lol

Recommend for an easy read with a little drama thrown in how could you not like this book
