## My Wicked Masters Ann Mayburn

Rhiannon Mirga, known as Goddess at Club Wicked, has a reputation for being a beautiful and unapproachable ice princess. But beneath her hard exterior beats the tender heart of a submissive who yearns for a Master's love despite a nightmare past that makes it hard for her to trust anyone. For Rhiannon there are only two men that can help her overcome her fear, the club's incredibly sexy trainers, Master Rory and Master Liam.

Unfortunately, after a long history Rory and Liam are on the verge of parting ways, driven apart by Liam's refusal to accept Rory's love as anything more than friendship. Despite their own issues, the men find they cannot refuse her plea for help and together they embark on a training session like no other where the Masters are the ones who learn the true meaning of love and surrender.

## Esraa says

THERES NOT ENOUGH COLD SHOWERS THAT WILL GET ME OVER HOW HOT THIS BOOK IS  
GOD HELPS ME

---

## Bethany says

Another great installment in the Wicked series. I love Rory and Liam, they could be my Doms' anytime.

My Wicked Masters isn't your basic book about someone finding their kinky other(s). Everyone deserves a HEA but with some it takes an inner strength to take what has always been there for you, and for other strength to leave the past behind. This is a wonderfully written book about the personal struggle and acceptance one must go through to find love and friendship. Of course there is a lot of great kinky sex involved. :)

---

## Jamie Campbell says

I really loved this series! if your into bdsm and very sexy dominate men and fierce woman you will love it as much as I did! oh and this book my wicked was a menage need I say more

## ? BookAddict 🖋 La Crimson Femme says

Club Wicked Series is a stellar solid 4 star series. In the latest installment, My Wicked Masters, Ms. Mayburn pens another fabulous story. This one tugs on the heartstrings. Rhiannon aka Goddess at Club Wicked is a snarky and confrontational wait staff. She's can freeze a male dominant's dick off with her icy glare. She cuts a male dominant's balls off with her sharp tongue. Yet she wants to train to be a submissive.

Goddess appeared briefly in previous books. She didn't leave a positive impression. With her as the main character in this book, it is debatable if the story would work for me. Within the first few paragraphs, I'm hooked. Within the first few chapters, my eyes are leaking and I'm still denying it was tears. I read this story in one sitting; I couldn't stop reading it.

Ms. Mayburn creates amazing characters. Goddess is a misunderstood and severely traumatized person. Usually, I'm not a fan of this kind of character getting into the lifestyle. Ms. Mayburn writes it in a way that makes it so good. Rhiannon is already done with therapy. She now wants to live and take back her sexuality. For someone with her background, she's come a long way. Every reveal in Rhiannon's life breaks my heart a little more. I don't know how Ms. Mayburn does her research or comes up with her ideas. She did a phenomenal job in the American Roma gypsies. By showing the contrasts between Rhiannon's upbringing and after her fall from "grace", it makes this story more powerfully emotional. More eye leakage will occur as the full history is revealed.

Ms. Mayburn does not stop with the Rhiannon's pain. While the reader is already bent over is sorrow, she gut punches us with Master Liam and Rory's rocky relationship. Liam's family's stance on alternative lifestyles is not uncommon. Their action and response to those who are different is abhorrent. Liam's fear is that of a young boy. When something so painful is experienced at an impressionable age, it is hard to overcome, no matter how a boy grows up to be a strong man. The struggle for Liam to accept Rory's love while helping Goddess become a trained submissive is almost too much.

Ms. Mayburn brings it all together and it's beautiful. Her writing style is smooth and rich. The characters are loveable. The sex is smoking hawt. The BDSM is to die for. The club is once again a fantasy play land. This story does revolve around a club for the rich. It's the only reason why I categorize this as glitterkink. The BDSM is realistic. The lessons in how to be a submissive is definitely a way some learn to become a submissive. To be the focus of two men is a heady sensation. Still, Goddess does come across as a disrespectful bratty sub which is all too common. Once it's clear why she response the way she does, it's painful to watch. Ms. Mayburn does a great job of showing how triggers could occur during a session. She also shows how the three work together to overcome the issues. This is not to say that it can be done in every situation. In this one, it turned out to be a happily ever after.

Ms. Mayburn is an auto-buy because her stories are moving and her characters are great. For those who enjoy a bit of emotional wringer and hawt BDSM intimacy, this is the book for you.

### **Smut Junkie says**

This might be my favorite book in this series so far! Dear lord. The hot factor is off the charts on this one! Masters Liam and Rory are amazing. And getting to know Goddess aka Rhainnon was really nice. Any book where you can witness a person who struggles with internal demons and come out winning is a good one, but I was just rooting for Rhiannon from page one. And poor Liam's mental turmoil....Each of these characters struggles were tangible and the ending is just absolutely perfect.

Can't wait for the next in this series - I'm dying to know more about Hawk and Sunny....hope we don't have to wait too long!

4.75 out of 5 Licks

Ann Mayburn is one of those writers that when you read her books every one of your emotions get into play. This book is a prime example of that. She had me crying like a fool before I got to chapter three!!!! Seriously!! I am sooooo in love with this series. Each book grabs me more and more! I fell in love with Master Rory and Master Liam in the prequel about them, My Wicked Trainers, and this book made me love them even more!! First off they are British and Scottish, can you say orgasmic combination??

Rhiannon Mirga is known to the patrons of Club Wicked as Goddess, and most of them believe the bitchy persona she hides behind. When she asks Master Rory and Master Liam to train her, they are shocked to see the woman really behind Goddess. Her reasons for building the walls around her are also the reasons she needs them to train her. She is ready to get over the horrors of her past, and just maybe find a Master of her own. She just needs to learn to trust a man/Dom, and be able to trust herself. After years of therapy she is finally ready, and it doesn't hurt that the two sexy Masters are the first two men to ever turn her on in a long time.

Liam and Rory are all set to take some time off from training. Their friendship is in trouble, and the reason for that trouble is they are getting in the way of their own happiness. They have been in love with each other for years, but Liam is unwilling to accept Rory's love as anything beyond friendship. There is something about Rhiannon that calls to both of them, and no matter what is going on between them they can't say no to her desperate plea to be trained by them. Will this damaged beauty be the glue that holds them together, or will she be the final straw blow to an already fragile bond??

Oh my sweet LAWD!! I could not put this book down!! When you pick this one up make sure you have the time to read it in one setting, because time just got away from me. I really wanted to just hug all three of these characters at times, because they all broke me for them a bit. Their journey to HEA isn't one that is all flowers and rainbows, but goodness it is breathtakingly beautiful. I really hope we get to see more of these three in the books to come. And LAWD do I hope Master Hawk and Sonny's book is next!! I need their story!!!! I hope y'all enjoy this book and series as much as I have!!!! :)

### **Eve Recinella (Between The Bookends) says**

This book was HOT, so frigging hot!

BDSM is like catnip for me, menage BDSM with a fucking sexy Scot who wears a kilt, and a fucking sexy Englishman in tight leathers, is off the charts! I loved Liam and Rory, two friends that have known each other for 12 years, and both harbor strong feelings for the other, but neither is willing to take the first step and admit it to the other. Then you have Rhiannon, whom everyone thinks is a bitch, but she is hiding a very painful past. You bring all three of these people together and we get scorching hot sex scenes, we get angst, we get sweetness, and in the end we get three people that bring out the best in each other and find the courage to move on beyond their pasts and embrace a future together.

I really really enjoyed this one!

**Miranda Johnson mahoney says**

Man I don't even know where to start

Ok so this is one of the hottest books I have ever read! Rhiannon needs some help getting over her past and decides to ask Master Rory and Master Liam to train her! I can't give away too much but trust me you will love this book as much as I did! Its hot hot hot!!!

I still can't get over that teacher scene

This book made it into my top favorites and is Now my favorite book of this series! Man if u like bdsm/romance/menage/and some hot sex this book is for you ;)

---

**Caitlyn O'Leary says**

This book was scorching. Thank God I was reading it on my nook, if it was the paperback version, it would have burst into flames. But what made it worthy of the five stars was depth of emotion and back story Ann Mayburn did an excellent job on fleshing out all characters, but particularly Liam and Rhiannon. I ached for both of them. This book was truly worthy of five stars. I can't wait for the next installment.

**Shellie says**

This book is my favorite of The Club Wicked series. I fell in love reading about Liam and Rory in My Wicked Trainers and was so excited to continue learning more about them. Rhiannon "Goddess" Mirga needs a strong man to surrender to but instead she finds two.  
Ann Mayburn always knows how to draw you in to her books and keep you there.

Night Owl Review

Original Review Published here: <http://www.nightowlreviews.com/v5/Rev...>

I found this book well written with interesting and realistic characters. Ms. Mayburn's has the ability to draw the reader into the story and then before you know it you are hooked. I read this book in one sitting. Overall, this was a wonderful book and I can't wait to read the next book in the series.

Rhiannon Mirga is known as Goddess in Club Wicked. She has reputation for being an ice princess who is beautiful but unapproachable. Rhiannon is a submissive looking for the right master however, her biggest issue is no one around her at the club except a small few even know she is a submissive. So when Rhiannon faces her fears and asks Master Rory and Master Liam to train her to blows both of the men away.

Master Rory and Master Liam are trainer at Club Wicked. They train submissive to embrace there submissiveness all without taking a sub for themselves. Master Rory is in love with Master Liam however, Master Liam refuses to accept it much less embrace it. They are very close to spiting.

I loved seeing that Master Liam and Master Rory were willing to see if they could train Rhiannon. The chemistry between Master Liam and Master Rory is blistering but when you add Rhiannon it gets down right explosive. The sex scenes between the trio is scorching. I hope we get to see more of this trio in the near future.

My Wicked Masters is the fourth book in the Club Wicked series by Ann Mayburn. Each book in the series can be read and enjoyed as a standalone novel with ease.

## Kim Palinkas says

Wow.

Yes, so articulate. But, that's my first response on finishing this book.

Wow.

Now, for a little expansion... Book 2 (Nanny) of this series ended in a somehow unsatisfactory manner - I enjoyed the book but there was something about the last scene/ending that stopped at about 70% up the plateau: leaving me with a moue instead of a smile. Book 3 (Devil) was lovely. But, Book 4 (Masters) - Oh,

so lovely. So, so lovely.

Still, not articulate enough.

I'll say I think that the author's understanding of the culture not only bleeds through the scenes at the club and the scenes with sexual content, but also permeates the characters thoughts, actions, and development throughout the book. That was what made Book 3 so tasty - and all the more so in Book 4. I will admit that I didn't need Liam's conflicted feelings about his love for Rory, and how wrong it was, to be repeated every single time he felt love for the guy. It was established. Yeah, it probably was how he felt every single time but, sadly, it started to feel a little repetitive until towards the end more was added from backstory to give depth to why he was feeling that way. Otherwise, superlative.

There's the right balance between 3 main characters, with none of them really taking dominance (reference intended ;) ) in the story telling. I \*adore\* that they go on dates - not just have sex (at the club or home) - real, fleshed out dates not just precursors to sex that are meant to establish in the readers minds that they are becoming invested in each other as people and not just sexual objects. I found myself saying "why that bugger!" a number of times as each of the men showed their rivalry to each other, trying to each have/win Rhiannon for themselves rather than working on a solid triad, and this made it all the sweeter when they did settle into a balanced relationship.

The connection between the three was believable. The sex scenes were superb. And the sense of the characters being real people, who we could care for and pull for, is so on the mark.

I strongly recommend this book (and the short story that preceded it - "Book 3.5" - where we saw Rory & Liam's historic first (truly) sexual connection and got the basis for the majority of the conflict (at least for Liam) in this story.
