New Thunderbolts, Volume 3: Right of Power Fabian Nicieza (Writer) , Tom Grummett

There is a new superhuman team the government can't trust whose roster is made up of questionable choices. Unaccountable. Uncontrollable. Unknown. So the Commission on Superhuman Activities has a "request" for the New Thunderbolts - take down the New Avengers You know what that can only lead to... Songbird vs. Captain America Photon vs. Sentry Radioactive Man vs. Iron Man Speed Demon vs. Spider-Man Atlas vs. Cage Joystick vs. Spider-Man Place your bets, pick your winners, but know that the only sure outcome will be nasty throw-downs and long-term ramifications in the Mighty Marvel Manner.

B says

This was mostly fine. I'm super-confused about the ending. Was it the bad ending?

Aaron Alvarez says

Reading these Thunderbolts issues with Genis-Vell piss me off. It comes off like Fabian Nicieza didn't want to even use Genis and merely had him there as a tool to bring together Zemo and the others. The death of Genis came off as half assed and a big "fuck you" to everything Peter David built. Part of me thinks this was all due to bitterness of the horrible LEGACY series that was canned after 6 issues. Oh well.

Jdetrick says

It starts to fall apart a little at the end, perhaps because the book was coming to a close, so plotlines had to be resolved. It's more sloppy than what came before, although still decent for a superhero comic.

Todd says

God, I love these characters. I had forgotten the joy that is Zemo's arrogance that he can save the world better than anyone else. I'd forgotten Songbird's struggles to be the best. Atlas is still one of the most rounded fuck-ups in comics. The only thing missing here is Moonstone manipulating the hell out of everyone.

I'm sad to think that soon this will all end. So many threads left dangling. A shame. The Thunderbolts are still awesome (not counting the Red Hulk "Thunderbolts" because that has nothing to do with any of these guys).

Angela says

Interesting idea, the government pays the Thunderbolts to take down the Avengers because they don't trust them. Some more character moments and you are really starting to get to know these new people. A good read.
