Perfection #1 Claire Adams , Shawna Gleason

I was just a college girl who was now left with an inheritance. It was a lot of money that I didn't really know what to do with. However, there was one thing I had always wanted and that was a bigger chest. I always felt uncomfortable being around my friends because they were four times my size. But I didn't want a botched job, so I picked the most popular and most expensive plastic surgeon in the country, Dr. Steinmann. Little did I know, he was used to sleeping with his patients. Could I resist?

Perfection

Very good short story, sweet, romantic, trust issues, Lilly and the dr, what a story line, cannot wait to see where this story goes

Michelle says

I officially am giving up on this author. Edit your work. Make your dialogue believable and stop creating characters who say one thing and do another and are so over the top dramatic about the smallest shit.

Renata SG says

IVE READ A FEW BOOKS BY THIS AUTHOR & EACH TIME WAS HOPING THEY WOULD GET BETTER.

ALL I CAN SAY IS I AM GLAD THEY WERE FREEBIES BECAUSE THE STYLE OF WRITING, THE CHARACTERS & DIALOGUE REALLY NEED IMPROVEMENT. SORRY BUT PLAIN BORING

Iona Fincati says

What a load of crap!!! Badly written. Ridiculous story line.

Jana says

ok

Ok book. I'm not feeling a strong connection between the characters or to the characters. The doctor is a little slimy...I think the author is going for charismatic playboy, but his actions and decisions are kinda douchebag-ish.

Margie 'CSR' Fite says

BULLET WAS A PLASTIC SURGEON WHO HAS A PAST THAT HAS CAUSED HIM TO NOT EVER WANT TO FALL IN LOVE AGAIN!! AND HE IS NOT CLOSE TO HIS FAMILY AS WELL.... HE HAS A 'PLAYBOY REPUTATION, YET ALSO A REPUTATION FOR BEING ONE OF THE BEST PLASTIC

SURGEONS AROUND'

BULLET, FALLS FOR A BEAUTIFUL GIRL, LILLY WHO COMES TO HIM FOR A CONSULTATION (BREAST IMPLANTS) HE DOESN'T THINK SHE NEEDS THEM AND BELIEVES IT WOULD ALTER WHO SHE REALLY IS AND REALIZES THIS IS NOT HIS PLACE TO TELL HER AND GOES BEYOND DR - CLIENT PROFESSIONALISM IN ORDER TO KEEP HER FROM MAKING A MISTAKE AND ALSO TRYING TO DATE HER AND CLEAN UP HIS 'PLAY BOY REPUTATION. LILLY HAS A PAST AS WELL, AND SHE IS VERY GUARDED AND DOES NOT TRUST ANYONE BUT HER BEST FRIEND.. KATE! YET SHE HAS AN IMMEDIATE ATTRACTION TO BULLET AND HE PUSHES HER TO SO MANY LEVELS EVEN WHEN SHE FINDS OUT ABOUT SO MANY LIES... THIS BOOK HAS MANY SECRETS, TWISTS, HOT SEX SCENES, AND SELF DISCOVERIES...

cliff hanger alert !

i one-clicked this without knowing it is part of novella serial.

the book hooked me up. the hero is not much special, but the heroine is intriguing. a lady with a streak of wild streak. found a flaw she wants to change but very confident with herself at the same time. the serial seems have something dark in store for the next book, looking at the similarity between Ethan and Bullet.

i dont know the author background, but the book gave me more than enough insight to breast implant surgery and the psychological side of the general plastic surgery. really educating, thanks.

looking forward to the Perfection #2 but not that eager, i feel content to end it as it was.
