The Impossible Collection of Warhol: The Artist's 100 Most Influential Works Eric Shiner

Andy Warhol's explosive pop art and sharp commentary on advertising and celebrity culture are renowned and deeply relevant even decades after their creation. In this evocative volume, Warhol expert and former Andy Warhol Museum director Eric Shiner curates the 100 quintessential, unique works that define the evolution of this illustrious artist, creating a stunning compendium of pieces that could simply never all be acquired by a single collector. Casual art lovers know Campbell's Soup Cans and the Marilyn Diptych?, but The Impossible Collection of Warhol goes deeper, revealing and revisiting some less ubiquitous yet equally powerful paintings, prints, sculpture, films, and photography from Warhol's astonishing oeuvre.
