### **Tramika Chatfield says**

I really enjoyed the book. Although the book focused a lot on one conversation in particular and dedicated one full chapter to that, it was a great read. it was a bit scandalous and adventurous at the same time. The title definitely fit the story. I like every surprise in this book and didn't expect the murderer to be who it was in the end. Overall, I loved this book and would recommend it to my peers.

### **Shannan Harper says**

This was another amazing old school author I found at the library after a suggestion. There were plenty twists and turns, and it was a phenomenal read. I loved it.

Wow what a roller coaster ride!!! A well-paced read with enough drama to keep you entertained and a storyline that kept you guessing until the end. I do wish that we could have found out why Katrina hated her sister so much. I kept waiting for the reason to come out and I was disappointed that it was never revealed the reason for the intense hatred she felt for Celeste. I also did not care for the way it ended. I really wanted for Katrina to get some type of payback for her evil manipulative ways but it never really happened. Other than that I really liked how it was set up so that you thought you knew but you didn't really know until the end all the twist and turns that would play out in the book. I would recommend if you like titles to keep you guessing but if you are turned off by language and I mean quite a bit of harsh language you probably want to pass this up.

### **Peggy says**

This was a good book, definitely one you want to read.

---

### **Linnette Anderson says**

This book was good with a lot of mystery and suspense. I have tried to find other books of hers but have been unsuccessful. This book keeps you guessing. I have recommended this book to several of my friends. They all enjoyed it.

#### **Secrets never stay hidden**

I'm so glad that my book club decided to choose this book as their BOM. This book was so full of family and relationship drama that it left my head spinning. I will say that some things were left unanswered for me. I

wanted to know why Celeste and Katrina's relationship was so toxic
