**A Father's Vow** Myrna Temte

A Maverick ... with marriage on his mind?

Like a tiger prowling the darkest jungles, Sam Brightwater always sidestepped the terrifying trap of love. Still, he vowed to settle down. Start a traditional family. Do his tribe proud.

So the last woman Sam should have been attracted to was blue-eyed Julia Stedman, the half-Cheyenne visitor sampling her heritage before scurrying back to her ultramodern world. But Julia got under Sam's skin like a stubborn, sexy burr. And soon they were making love—making a baby!—and making mincemeat of Sam's grand plan....
