Anna Banks

## Girls Day Out Anna Banks

Read this Syrena Legacy short story and the first chapter of *Of Neptune*, the final book in *New York Times*-bestselling author Anna Banks' trilogy!

Emma, who is half human and half Syrena, has a day apart from her Syrena love, Galen. Emma doesn't plan to spend the day with Galen's opinionated and bossy sister, Rayna, but she can't quite get out of it, either. And Galen will appreciate her attempt to bond with Rayna, right? But when Rayna's unpredictable antics put them in danger, can they rely on each other to get themselves out of it?

## From Reader Review Girls Day Out for online ebook

### ?Joycedale? says

Just a short story about what Emma and Rayna do when they find themselves without the boys and decide to go treasure hunting.

The blurb isn't entirely correct. Emma didn't try to get out of spending time with Rayna and they weren't ever in danger.

---

### Mehsi says

Short Review:

Haven't read the other books, so at times it was confusing, but I got through it and I understood most of it.

This was a really fun and short book about 2 girls who go out. They decide to go hunt for treasures (in other words, things that fall from boats/ships). However instead of treasure they find a doll and decide to give it back to the girl who owns it.

I really despised the girl and her mother. 2 strangers come to you and give you back a (soaking) doll and what do you do? Accuse them, and call guards and all that on them... Wait why?

I liked the main girl a lot, she was funny and interesting. I didn't like her friend that much though. Found her a bit to snobby and stuck up.

Will I be reading this series? Yes. I am really interested after reading this and I love mermaid books. :)

### Meghan says

\*2.5 stars\*

---

### Tamara says

FAN-FLIPPIN-TASTIC. For Rayna fans...

Other than that, it was a bit 'Meh'. Emma goes to hunt down a cruise ships with Rayna, they get sidetracked by a doll that was dropped to the sea and decide to find its owner, Rayna messes around a lot.

Not a necessary need to understand the other books, just a short look into a girls day out with Rayna and Emma.

5 out of 5 stars

I absolutely loved this short story, a must read for Rayna fans.

---

### **Anna Pavlíková says**

Ale jo, Rayna je dobrá! Její myšlenkové pochody jsou vtipné. :)

---

### **Asami Uchiha says**

I wanna go on a girls day out now! Rayna style!

---

### **Myndi says**

I liked this little interlude to the series. As much as Rayna annoys me, I'd like to see her and Emma get to be better friends, so it was amusing to get to read a story about just the two of them hanging out. If you're a fan of the series, you should definitely give it a read.

---

### **Jane says**

A short but funny novella. In this short story we follow Emma and Rayna, a mermaid with a snorkel set, in their 'girl's day out' that mainly involves a doll. Humorous and witty from the start, this novella is a fast-paced-fast-read.

---

### **Nancy The book junkie says**

Review coming soon!

---

### **Luu says**

Rayna está loca, y toda la situación con la muñeca, desde que la encontraron hasta que la cuelgan en el anzuelo (cosa que me da un risa) se pudo ver el lado infantil de ella. Divertido y entretenido, se disfruta leyéndolo rápido.

---

### **Alaina says**

I'm kind of glad that this was super short because it was honestly kind of pointless to read. I don't really understand why *Girls Day Out* had to be a book in this series but I guess if she really wanted it then I can accept it.

So this novella, which is about 30 pages, is about Emma and Rayna hanging about and doing girl stuff throughout the day. At least that was the plan until a girl's doll goes overboard. Then it's all about them trying to give this little girl her doll back.

I do like Rayna and Emma but this was kind of like meh. It was cute and enjoyable. However, I could also have done without reading or knowing it existed. I'm obviously going to continue on with this series and I can't wait to read the next book.

---

### **Storm Arashi says**

This was just pure hilarity from start to finish. Rayna and Emma having a full out Girls Day. I can't really say it because of spoilers but I am SO glad to see them getting some alone time.

---

### **Nyra says**

Awesome novella! Rayna is always funny, but her and Emma together? HILARIOUS.
