Anna feels jealous when her neighbor's niece, Christine, arrives for a visit. Christine loves ponies, but she hasn't had a chance to ride because of her cerebral palsy. The Pony pals convince her to try lessons, but she is terrified of every horse, except Anna's Acorn. Soon Christine and Acorn develop a special bond, and Anna feels threatened.

Audrey says

Anna is jealous of Christine, the girl who is visiting. Christine has cerebral palsy and has never ridden before. Since Acorn is a gentle pony Anna offered that she may learn to ride on him. Anna is worried that Acorn will like Christine more than her. Anna is also jealous of Christine's artistic abilities but soon gets over her feelings about Christine and the two girls become good friends.

Kayen Are says

This book is about these three girls that are in the Pony Pals club, and they meet a girl that had to use a walker and they try to help her try and ride Anna's pony. Mean while Anna gets jealous because the Pony acts like he likes the other girl better! GREAT book!

Westcoast_girl says

In He's my Pony!, Anna and the pony pals meet a young girl, Christine, with Cerebral Palsy. Because of her walker, she believes that she cannot ride horses.

With Mrs. Crandal's and Acorn's help Christine begins to ride. But now Anna feels jealous and threatened that Acorn will like Christine better.

In this book, Anna learns about the struggles of people with physical handicaps and about the importance of sharing.

Samantha says

One of the things I love about this series is how naturally characters from different walks of life are included in the story. I never feel like the author was trying to fulfill a quota, but was just writing about characters who happen to have unique challenges, and the focus is usually more on how they interact with ponies/the Pony Pals than about whatever the lifelong challenge is.

It was easy to see why Anna was jealous of Christine, and I connected so strongly with her fear of somebody else being better at what makes her special. It's something anybody in a creative field has to deal with at some point, and I loved how this book dealt with it, and the conclusion of that.

Overall, this has to be one of my favorite entries in the series.

Alexandra Lindner says

Love the series!!

Alisha Brook says

Pony Pals was one of my favourite "horsey" series growing up. Jeanne Betancourt has a writing skill that makes the books easy to read and interesting. I read many of the series and I was enthralled with each new story.

Laura says

read them all

Reagan says

When Christine comes to visit, she becomes friends with the pony pals. Anna is jealous of her because she thinks that she is a better artist than her. The pony pals teach her to ride Acorn. It's a bit hard for Christine because she has cerebral palsy. Anna is also jealous because she thinks that Acorn likes Christine better than her. To know what happens next, you will have to read this book!

This book is great. You have got to read it. I really like this book because I really wanted to know what happens.
