Revenge 4

Leo Sullivan is a bad author. I'm so missed right now, why did it have to end like that? I pray Part 5 is around the corner. Innocent has nine lives and the keep increasing. Tamara got the bad end of the stick. It's gonna hurt Innocent when he finds out who really is the one setting him up. He's far from stupid though. Ok, Leo, where's part 55?

Tanya says

Oh my, Leo you did another hot job on this one!! I just hate that it took me getting to the end of the book to find out that I missed a series...lol Well I am definitely going to back track and see what I missed. I enjoyed this book as well but I think the first series was better. Maybe because prison life is high risk and dangerous.

Belinda says

I wish there was a part 3. My, my, my this book was all that. Leo you have done it again as always. I want to know what happened in Mrs. Harvey's house once Tamara and her crew arrived. Game and Kenisha were in the house going at it above whose man Innocent was. He was outside with a couple of his boys from the joint. Is Innocent or Trayvon Tre's father? Ghetto Bin was lower than a snake.

Belinda says

Leo Sullivan does not disappoint. I always enjoy his books. Innocent is my kind of guy. Tamara is out cold and low down to the core. My Innocent is a straight up gangsta. After all he has been on death row and sued the state for wrongful imprisonment. Between Ben and Innocent my money is on Innocent and his butcher knife. I am getting ready to entertain book 2 via my Kindle Fire.

Donica James-edgerton says

Damn that was crazy as shit.I wasn't expecting more drama like that to come for them.I can't believe Tamara is holding that secret in.I can't wait to read the 4th book.I swear I have seen the name Game in another book I just don't member which one

MZURAQT says

L.C Miller is back and he will not stop until he get revenge on the person that has taken someone he loved the most. During his journey he will come across some hard situations but will he be able to handle it?

Part two jumps right where part one left off. It is filled with action & you feel each character emotion. I will continue reading this series.

Erica says

"Innocent's Revenge" was very fast pace and once again a great read. Now that Innocent out of prision and home with his family, he can't seem to catch a break. Shortly after being released from prison he experiences the loss of a loved one that was very dear to his heart, reveals a dark secret that Tamara has been hiding from him and seeking revenge on someone that has come back from his past. The author does introduce a few new characters in this book as well as a few other surprises. I am patiently waiting on "Innocent's Revenge 2" and I strongly hope that Tamara can get her act together before it's too late.
