Linda Sims says

This novella was a very enjoyable read. I particularly liked that the two leads Bram and Lucy are older he's 41 and she's 39, so they're much more mature. Lucy divorced her husband David after she caught him cheating, he later died in a car accident. Lucy has decided that it's time to have some fun and find a man to let off some steam. When Bram a long time friend of her late husband hears this he knows it's time he made a move and let Lucy know how he's felt about her forever.

A hot and sexy short story that is well written, I really enjoyed it

Julie (Jewls Book Blog) says

I loved Lucy-she's an average older woman with body insecurities from age, motherhood etc., and the way Bram not only addressed but appreciated all those changes physically and emotionally..sigh...

I got a kick out of how confident Bram was with his sexuality. He wasn't domineering, more laid back and casual. And being completely open about his feelings to Lucy after all these years-sweetness in a good-looking package!

My only complaint..bigger isn't always attractive to read about when you have to work it because it causes some discomfort to the other person. It didn't really distract from the overall story, just more of a passing observation.

I appreciate that the main characters are older-41 and 39 respectively-not something you typically find in romance books. A quick and easy read, I enjoyed this fun and sexy novella!

This is a steamy novella about Lucy and her now deceased ex-husband's friend Bram. It's been 4 years since David died, and they had already been divorced but Bram waited for Lucy to be ready to think about moving on. But when he finds out she plans to have a fling with a stranger, he knows she's ready to take the next step, and he wants it to be with him.

I really enjoyed this story. Though we find out that Bram had feelings for Lucy even before she married his best friend, he was always very careful to keep that hidden and never once let Lucy know while she was married, or even when she got divorced that he wanted to be with her. I respected him for waiting, and he comes across as a caring, confident man. Lucy still feels some of the pain of being betrayed by her ex, and Bram goes a long way towards making her feel whole again. They share a steamy scene together and Bram makes it clear that he's not going to let Lucy wallow in grief anymore. He wants everything with her and he seduces her very efficiently with words and actions. I really liked the age of the characters in this story too, Bram being 41 and Lucy just shy of 40. It was an entertaining read! 4 stars.

Sammy says

Bram's loving David like a friend/brother sounds a lot like rationalization for his lack of action with regards to Lucy.

Teresa says

3.5 stars A hot and lovely story of the second chance at love.

Jules says

There are very few stories I bother to read more than once, but Luring Lucy is on that very short list! I've read it twice now and have every intention to read it again! Bram is a 41 yo hunk who has been in love with his best friend's wife, Lucy, from the second he met her. When the ass of a best friend dies, he becomes

Lucy's and her kids' right hand man, but doesn't make a play for her so she has time to heal from her loss. Thirty-nine yo Lucy has no idea Bram has feelings for her, not to mention she's got some insecurity issues so many of us have after having kids and hitting midlife. When Lucy drops her kids off with Bram for a camping trip, her mood clues him into feeling this is his moment to let her know. He drops the kids off with Lucy's best friend instead (who is also cheering Bram on!) and goes after her. This is where the story starts. Bram is a dream guy and Lucy is such a worthy heroine for him! This story just makes me melt. :-)

Angel Padillo says

This story was terrible. It had no substance, the writing was sub par, Lucy was very annoying, and Bram couldn't decide if he was a human or a caveman! Not worth reading.

Inhalt

Frauenheld Bram Giles rast die Interstate 75 entlang, um die einzige Frau zu erreichen, die er wirklich will. Lucy hat sich für eine Woche in ihr Sommerhaus verabschiedet, in dem sie vor 4 Jahren von ihrem inzwischen verstorbenen Ehemann betrogen wurde... Und Bram weiß genau was sie vor hat, doch das kann er einfach nicht zu lassen. Schon seit 20 Jahren geht ihm diese Frau nicht aus dem Kopf, doch bisher war sie, als Ehefrau seines besten Freundes absolut tabu für ihn, aber jetzt kann er einfach nicht zulassen, dass sie sich mit einem anderen Mann vergnügt... Denn Bram weiß, dass er der einzige Mann für sie sein will und ist nun nicht mehr bereit etwas anderes zu akzeptieren...

Meine Meinung

Etwas mehr als eine Stunde absoluter Spaß. Der leidenschaftliche Kampf der zwischen Lucy, die überhaupt nicht glauben kann, dass ein Mann wie Bram sie anziehend findet, und Bram, der Lucy so sehr will, dass es sogar mir als Leserin weh getan hat, ist mit so viel Humor und Gefühl geschrieben, dass man Leidenschaft, Unsicherheit etc. förmlich spüren kann. Eigentlich war ich die ganze Zeit über nur am vor mich hin Grinsen. Lucy war mir extrem sympathisch mit ihren fast 40 Jahren, einer gescheiterten Ehe und einem Körper, dem man zwei Geburten ansieht, was sie für Bram nur noch attraktiver macht. Nach und nach merkt man aber, dass der durchtrainierte 41 Jährige nicht nur extrem scharf auf "sein Babe" ist, sondern absolute Hingabe und Liebe für sie empfindet - und zwar schon sehr lange.

Fazit/Wertung

"Knisterndes Begehren" ist für mich der bislang beste Teil aus der Lust de LYX - Serie, weil ich mir beim Lesen einfach so überhaupt gar keine Gedanken gemacht habe... Es war einfach nur schön. Romantisch, verspielt, voller Leidenschaft und Sex - mit einer Geschichte im Hintergrund, die berührt und zwischen all der Erotik ordentlich behandelt wurde. Deswegen gibt es volle 5 Sterne für dieses wunderschöne und zugleich sehr erotische Erlebnis.
