The death toll rises as the great Wrath of the Lamb earthquake ends. Survivors throughout the world search to find family and friends lost during the earthquake, and the Young Trib Force is no exception. In the midst of tragedy and chaos, Judd and Vicki must use every measure possible to avoid capture by the Global Community. Join the Young Trib Force as they rely on God's help to get them through the most dangerous time to be alive.

The events in *Rescued* parallel those that occur in the bestselling book *Soul Harvest*.

#### **SECONDS AWAY FROM CAPTURE**

The Young Trib Force just can't catch a break! Just as one problem seems to be resolved, another arises.

Judd, Vicki, Lionel, Conrad, Darrion and the others are fighting for their lives as Judgement after Judgement befalls the inhabitants of the Earth. Hail, fire, a massive meteor that turns water to blood and destroys a third of all ships and sea life, and Wormwood which poisons a third of the earth's water. And all this while being on the constant run from the Global Community!

It would be a miracle for me to manage that much, but just surviving isn't enough for these brave teenagers. They're constantly risking their safety and even their lives to share the gospel with as many unbelievers as they can.

In the midst of all this, the kids discover something interesting: a mark appears on the forehead of every true believer.

Now, if only Judd and Vicki could get along...

Okay, so FIRST OF ALL, I'm removing half a star for each member of the YTF that died in this book. Okay I know it's the end of the world and everything and for everyone you love to survive every catastrophe would be unrealistic, but still. IT'S VERY UPSETTING!!

Secondly, I want to talk about the magical mark on the Christian's foreheads that is invisible to unbelievers. I could be wrong, but I'm pretty sure the Bible talks about only the 144,000 witnesses being sealed and stuff. Either way, it's not a big deal. It adds something interesting to the story and it's super helpful for all the Christians! Sometimes stuff happens that I don't always believe will necessarily happen that way in real life, but this is a work of fiction and I still really enjoy the story.

i love the left behind series. It's so interesting to me. There's action and emotion and sometimes they stop the book and you have to start reading the next one to find out what happened. These are like my favorite books.
