That Silent Night Tasha Alexander

'Tis the season for murder, mayhem, and mistletoe across the pond from *New York Times* bestselling author Tasha Alexander

In this new short story from Tasha Alexander, Lady Emily -- called "Victorian London's most colorful and delightfully eccentric sleuth" -- and her dashing husband Colin are spending a few days in London, doing some last-minute Christmas shopping and making the most of the time alone, when they find themselves in the middle of an unexpected mystery. The couple is just getting cozy, not at all bothered by the storm outside. But when Lady Emily looks out the window to see a woman standing in the blowing snow, without a coat, an eerie feeling falls over her, and she rushes out to help, only to find that the woman has disappeared. Colin is convinced her eyes were playing tricks on her, but Emily is haunted by the woman's image. Clearly, there is something spooky afoot, and she is determined to get to the bottom of it. . . .

Complete with the vivid descriptions and period detail Lady Emily fans have come to expect from this series, *That Silent Night* is a delicious morsel of a mystery, with an irresistible ghost story at its heart.

*Jacqueline Winspear, *New York Times* bestselling author of the Maisie Dobbs series

Nancy Haddock says

Wow! Different and touching, and Lady Emily is as fun as ever!

Maire says

A good old fashioned Victorian ghost story for Christmas. Short but good!

Victoria says

This ghostly mystery is very much a homage to Dickens. It had a good mystery, but I find it less engaging than the previous Christmas novella.

Evelyn Harvill says

Lovely story!

Angie says

4 stars...

Lovely Christmas novella with a ghost story intertwined. Not as deep or detailed as Lady Emily typically is, but that's to be expected in a short story. I thought it extremely well done for a novella. I also think most Lady Emily fans will enjoy spending a little time with her & Colin as well as meeting Penelope and helping to solve a mystery.

Carissa says

A short little Christmas ghost story by one of my fave authors. Love the cover and enjoyed this quick read.

Mackenzie says

Lady Emily, Book 10.5

Elizabeth C says**Delightful Story!**

Reading this fantastic story on a chilly late autumn morning was such a treat. I love Tasha Alexander's writing and her shorter works are no exception. After enjoying ten novels, I've grown wonderfully familiar with Emily's world and family, so a visit there through reading is a pure delight.

Jo Ann says

Delightful holiday short story.

Carey says**Spiritual mystery**

Last Emily is excellent solving the mystery as always. Her husband Colin , too. Looking forward to reading more Lady Emily mystery.

Cathyann says

Great writing, great story, great read!

Strangerthan says

Extra star for Henry's 'MORBID. PROFANE.' outburst. Loved it.

Claire N says

Did not like this one as much as the other Christmas short story -- found it to be very 'Christmas Carol'-ly and I don't love that book either. A fun, short, casual read.

Elizabeth says

Another quick Emily short story. I think Star of the East had a better mystery, but I enjoyed the snowy

setting. I always prefer when Emily and Colin are in London!

Grey853 says

This is a short story, not a novel, but it's a great Christmas/ghost story combo. It's very different from most Christmas stories and I really liked Lady Emily and how she tried to help the young woman who was definitely suffering from the "haunting".

Even though I suspected the resolution, it was worth the read.
