The Life of a Christmas Tree Richard Ham

In The Life of a Christmas Tree, Jasper, the runt sapling among his tray mates at Christy Farms, tells how he started out as a seed. He had to weather the ridicule of others who made fun of him for being smaller than the other saplings and slow to grow. He met and made friends with Oscar, a large pumpkin. As the years passed, he finally grew into a magnificent tree. Eventually, a casino mogul purchased Jasper and had him decorated for the casino's Christmas festivities.

On Christmas Eve, Jasper made friends with a special man in a red suit and treated him kindly. In return—unexpectedly—the man promised Jasper a gift. When the Christmas season ended and Jasper faced the grim fate of Christmas trees come January. He wondered what had become of the gift promised by the man in the red suit. He wondered ... and he waited.

Whether you are young or young at heart, The Life of a Christmas Tree will enchant and enthrall you with the inspiring story of a tree, Jasper, who faces and overcomes adversity, knows joy, feels dejection, and lives with hope.

Okay story about a Christmas tree.

Better proof reading required - I found the spelling and grammar mistakes distracted me from the story.

I received this story as part of a goodreads giveaway.

This is a good premise for a story. I entered the giveaway with the intention of passing the book on to my local church but unfortunately I won't be doing this. The lack of proof-reading meant that I couldn't get beyond the first chapter! I know I'm a bit of a pedant but the grammatical/spelling errors completely distracted me from the story. Even though I liked Jasper, the Brat Pack, Oscar and Chester, it was too difficult to continue reading to find out more about them.

A good premise but requires effective proof-reading and possibly some pictures to help engage younger readers.

I won this book as part of a goodreads giveaway.
