### **Edward Lorn says**

Well that escalated quickly. Not sure I enjoyed how quickly it escalated though. Probably my least favorite issue, but still really good.

### **Sarah says**

THIS ISSUE WAS SOOOOOO DEEP!

Suffice it to say I loved this issue!

And I love that LaValle brought up the most over looked aspect of police brutality: the person who calls the police!

### **David Dalton says**

Ramping up towards the final, with the monster, Frankenstein's descendent (Dr. Baker), her son Akai Baker (the new monster), secret government folks, and the Bride (with Akai's father in the iron suit). All leading up to the finale in issue #6. A well written and drawn sci-fi series.
