Daddy's Girl River Laurent

Everything in my life was exactly how I wanted it, until Kevin needed a favor from me. He had to go on a sudden business trip and he wanted me to house his daughter. She was down from England.

Hell, I needed a teenager living with me like I needed a hole in my head. I had a hot date lined up that night as well, but Kevin and I go a long way back, so I reluctantly agreed.

I tried to remember Madison. Skinny, braces, pigtails, so shy she couldn't look me in the eye.

Then I go to his house to pick her up and this sexy blonde bombshell comes down the stairs and WHOA!

What can I say?

I know it's wrong. She's my best friend's daughter. It could ruin everything, but I don't care. I can't resist the temptation.

I need to whisper in her ear: You're Daddy's girl now.

A hot taboo romance.

Quinn is trying to fight his desire for his best friend/business partner's daughter, Madison. Madison has been in love with Quinn since she was a little girl and has saved herself for him. I thought she had some moments where she acted like a little brat but later you found it was a way for her to get Quinn's attention. She was going after what she wanted and didn't care about the rest. It has a lot of back and forth on Quinn's part, wanting to be with her but trying to stay away since he thought that was the right thing to do. Overall a good book...a lot of hot moments that you get right away. This was my first time reading anything by River Laurent and will check out some more.

I received this as an ARC for my honest review.

Quinn and Kevin have been best friends for a long time and business partners. Kevin made a mistake in college and ended as a dad before the age of 20. At first he shared custody but then his daughter was taken to England by her mother and Kevin only got to see his daughter Madison a few times a year. Quinn has always enjoyed little girl Madison but it has been a long time since he saw her. It is time for Madison's yearly visit but Kevin has a problem. He has an emergency business trip and he doesn't want to leave Madison home alone. He begs for Quinn to keep her at his house. When Quinn sees Madison for the first time in several years, he notices that she has grown up into a beautiful young woman. He is having forbidden feelings of desire for her.

Madison has always had special feelings for her "Uncle" Quinn. She even told her dad when she was 8 or 9 that she wanted to marry him. Now she is spending time in Quinn's house while her dad is on a business trip. She finally has a chance to make Quinn see her as a woman instead of a little girl. She decides to do anything she can to get in his bed. Quinn wants to do the right thing and keep her out. Which desires will win?

This is a hot story with taboo love and older man/ younger woman. I voluntarily received a copy of this story and this is my honest review.

I like forbidden reads but this just way too far for my liking, to each his own.

RoseyLovesBooks says

Quinn feels a crazy attraction to his best friend and business partner Kevin's daughter Madison who he hasn't seen since she was 13 years old after promising Kevin to look after her while he's away on business. Madison has been crushing on the tall, dark and handsome Quinn for as long as she could remember and tells him "You can have me if you want.". Quinn sends Madison away but the real question is ... for how long? When Quinn finally gives in and gets together with Madison, not only is the chemistry explosive, but Quinn realises Madison's it for him, and Madison feels the same. But what will Kevin do when he finds out?

Daddy's Girl is angsty, suspenseful and steamy. River Laurent has paired an entertaining story with likeable characters for a fun read. I highly recommend this book.

I loved this book! River Laurent is a new author to me and I found her writing style captivating.

The story flew effortlessly, the couple's chemistry was off the charts and the hotness level was through the roof in this one!

Daddy's girl is an older man / younger woman novella that will keep you on the edge of your seat, frustrate you and make you laugh with their antics. It took a while for Quinn to realize what Madison knew all along. Her antics were a bit childish at the beginning of the story, but she was only trying to make him understand. And even though it is not insta-love for him, when the realization actually hits him, he does a u-turn and turns into a caveman, which is exactly how I pictured Quinn in my mind, in the first place, as a hot, sexy dominant alpha male. Madison, on the other hand, is younger but she knows whom she wants and is determined to get him.

I voluntary reviewed a free advance copy of this book, and I highly recommend it!

Cassie says

Madison was always attracted to her father's best friend, but he never saw her as more than a little girl. Quinn can have any woman he wants, but one look at Madison and he is done for. Their relationship is forbidden, but will they be able to resist? Will these two be able to find their happy ever after?

Hot quick read! This book was the perfect amount of sweetness and hotness. Loved how Madison was determined to get her way. Quinn really proved his feelings by going after her and taking what her father had to say and did. Good book and definitely recommend it!

Bel says

I thought this was a great quick read. If you like older man/ younger woman romances then this will appeal you. Quinn is asked to babysit his best friend's daughter Madison who he hasn't seen since she was thirteen. She is now legal and when he sees her for the first time, he realises he is in BIG trouble as she has turned out to be quite a knock out and a complete bombshell.

He struggles to maintain his composure and impulses around Madison and she isn't making things easier, trying to seduce him at every turn. Will they give into temptation and what will happen if they are discovered by her father? I recieved an ARC for my honest review.

Amy says

Quinn is best friends and business partners with Kevin. Kevin has to go out of town for business at the same time his daughter is due for a visit from London. Quinn reluctantly agrees to keep his daughter for the week. Quinn is in for the shock of his life when he shows up to pick her up. Madison has grown into a stunningly beautiful young lady. She has also had a very deep crush on "Uncle" Quinn for years. She has saved herself for him and plans to get what she wants. Quinn tries to fight it but can only fight it for so long. Kevin arrives early to pick up Madison and is livid at Quinn for what he's done to his baby girl. All hell breaks loose before Madison can talk to her dad. Quinn won't let anything or anyone stand between him and Madison. HEA, no cliff hanger.

A quick and enjoyable read. I love the older men younger women books. It's hot having an experienced man take over. In this book the push and pull between Madison and Quinn was awesome. Also, I loved how confident Madison is. She really holds her head high in any situation. I really enjoyed their banter too. Back and forth with the sexual tension made the book. And as always, the sex was alright I just wish there was more of it.

Amymargarita says

Ooooh This was HOT, HOT, HOT! From the very beginning Quinn and Madison had me hooked not only on their story, but with how strong their chemistry/connection was. It's a taboo relationship with real chemistry, and one that Quinn fights valiantly...until he's consumed by his desires...not to mention Madison does not make it easy on him to turn away from her!

Steallar writing will keep you hooked from the beginning and fully developed characters will have you charmed. Dual POV allows for both Quinn and Madison's true desires/feelings/needs to fully enrapture you. This book is different in that it's the sweet and "innocent" girl who chases the older, Alpha male and Quinn doesn't stand a chance!

A definite must read for those who enjoy a fun and flirty taboo tale where the sweet girl brings the alpha to his knees with a HEA guaranteed!

Talk about hot and taboo, this book has it all. A forbidden romance with my best friends teenage daughter. It all begins when Quinn's business partner asks him to watch over his daughter who is visiting from England. It's been a while since playboy Quinn has seen Madison. Wow, she's no longer the skinny little girl with

braces. She's drop dead gorgeous and sexy as everything. She's always had a crush on 'Uncle' Quinn and determined to seduce him. He tried so hard to do the right thing and resist her charms but she was relentless in going after what she wanted Their attraction is strong and their chemistry is off the charts. A quick and easy read that was well written with engaging characters.
