## **In Love With A Hood Rich N\*gga** Pebbles Starr

Zenobia is just a regular, around-the-way girl with dreams of owning her own hair salon. For years, she's been focused on her goals, but after falling victim to the manipulative ways of her trifling ex-boyfriend Liam, she was somehow thrown off track. Luckily, she rekindles an old flame that helps her bring her dream into fruition. Semaj Santana aka Smoke is her lover and best friend wrapped in one, but unbeknownst to her, he's hiding a deep, dark secret. One that could completely shatter their life-long friendship—and future.

JaQuay is young, beautiful and the girlfriend of gang leader, Yadon, of the East Side Triads. Yadon spoils her to no end, but everything that glitters ain't gold, and no amount of money or material possessions can make up for all the pain and suffering she's had to endure with him. It's bad enough she has to deal with his 3 baby mamas, but the constant infidelities was not something she signed up for. JaQuay has a plan to get even. But will it cost her more than the price of revenge?

Prepare yourself for a wild, messy ride! Backs will be stabbed, secrets will be exposed, and by the time you make it to the final page, you WILL be clutching your pearls!

**Marilyn Diamond says**

Took me less than 24 hours to read about Zenobia an the crew she hung out with. When you grow up around domestic violence you live domestic violence knowing one day it could kill you. So when rival gang leaders wants folks dead that's what happens. Zenobia never let her pass go. So when she runs into hood rich Smoke she dreams about having her American Dream. Her best friend JaQuay has fell into the trap of Yadon, gang leader of the East Side Triads. He is unmerciful an ruthless. He takes pleasure in physical abuse when inflicted upon hisself. This story was suspenseful, intriguing an a page turner.

**Short and Sweet**

Man Zenobia I hope she be okay. JaQuay is trifling as heck. How could she do Zee like that and her own boyfriend. Yadon and Yoda about to have a showdown. Smoke should have told Zenobia the truth and now she done been kidnapped. Good read on to part 2

First off, this book got right to it and kept me from the first page. I knew Jaquay wasnt worth a damn as soon as her story went on. Zenobia needs to get smarter and stop being so nice. Smoke is full of it too. I liked that it was short and hope to see how it plays out in part 2. Good job Pebbles.

From start to finish this book kept my attention. Everybody in this book got some mess with them especially JaQuay truck n behind. Smoke should have told Xenobia what was good when he first met her now she caught up in his mess. Smoke's wife is crazy as hell to kidnap and shoot Xenobia I hope she get hers. Yodon and Yoda gonna have a sibling showdown I bet. I can't wait for part 2

"In Love With A Hood Rich Nigga" by Pebbles Starr

My Thoughts....

If you like a good urban fiction written by one good author you have come to the right place to get it. For Ms.Starr 'In Love With a Hood Rich Nigga' gives it to you. You will find it a well written read with a little bit of it all from drama, lies, twist, turns, secrets, kidnapping,deceit, selfishness and I'm sure if you look hard enough you will find much more that will keep you turning the pages to see what will happen next. The characters were off the chain where you will find craziness all over the place. You will definitely be left wanting more of this story in the part two read.

**Too short**

This book was ok. Far too short. Had it been longer I may have given it a higher rating. I miss the days of reading a real novel. These hundred pages or so are not cutting it. I feel like it's a ploy to get more money out of the readers. From here on out I'll check how many pages before I purchase a book. If it's not a novel I'm not reading it.
