This book contains the three novels *Nightpool*, *The Ivory Lyre*, and *The Dragonbards*.

**Book 1: *Nightpool*** As dark raiders invade the world of Tirror, a singing dragon awakens from her long slumber, searching for the human who can vanquish the forces of evil—Tebriel, son of the murdered king. Teb has found refuge in Nightpool, a colony of speaking otters. But a creature of the Dark is also seeking him, and the battle to which he is drawn will decide Tirror's future.

**Book 2: *The Ivory Lyre*** The bard Tebriel and his singing dragon Seastrider together can weave powerful spells. With other dragons searching for their own bards, they have been inciting revolts throughout the enslaved land of Tirror. Only if they can contact underground resistance fighters and find the talisman hidden in Dacia will they have a chance to defeat the power of the Dark.

**Book 3: *The Dragonbards*** Only the dragonbards and their singing dragons have the power to unite the people and animals of Tirror into an army that can break the Dark's hypnotic hold over the world. Before their leader Tebriel can challenge the hordes gathering for the final battle, he must confront the dark lord Quazelzeg face to face in the Castle of Doors, a warp of time and space.

**Lois says**

I have read all her Joe Grey books and Catswold Portal, and liking Fantasy thought I'd give this a try. I am always amazed at her imagination and skill when writing. It didn't disappoint, and I found the books hard to put down. If you like dragons and dragonriders, magic, talking animals, and the battle between good and evil, this won't disappoint.
