**The Little Angel** Rosie Goodwin

1896, Nuneaton.

Left on the doorstep of Treetops Children's Home, young Kitty captures the heart of her guardian, Sunday Branning, who has never been blessed with a child of her own. Kitty brings sunshine and joy wherever she goes, and grows into a beguiling and favoured young girl. But then Kitty is summoned to live in London with her birth mother.

At first London offers Kitty excitement and adventure. With her delicate beauty and the voice of an angel, she attracts a promising singing career and the attention of a number of dashing suitors.

But those now close to Kitty are not what they seem, and her comforting old home at Treetops starts to feel very far away. If Kitty is to have any change of happiness, this little angel must protect herself from devils in disguise . . . and before it's too late.

## From Reader Review The Little Angel for online ebook

### Miriam Smith says

When you first start to read this story, you can't help but fall in love with little adorable Kitty. Left on the doorstep of Treetops Children's Home as a newborn she captures the heart of the reader and her guardian Sunday Branning. As she grows into a beautiful and talented young lady, Kitty is summoned to live with her birth mother in London. But those now close to Kitty are not what they seem and she now must protect herself from devils in disguise.

This was a beautiful story and a total joy to read that gently rolls you into storyline, introducing the main characters from a young age. Although quite emotional with some truly heartbreakin moments it was a delightful story that is the perfect heartwarming Christmas tale. Although I'm not sure on the name Sunday for one of the characters - it's not a name that I took to myself - all are perfectly portrayed to the early 1900's era and you can't help but warm to the many loveable and friendly staff at the children's home.

Written by Sunday Times bestseller Rosie Goodwin, this was the first book I have read by this author and I wouldn't hesitate to recommend this "The Little Angel" or read more by Rosie again in the future.

4 stars

### Tracey says

I love Rosie Goodwin! Another interesting read full of emotional ups and downs. This book started as a gentle but touching tale but as time passed and the story progressed the plot turned gritty and had plenty of dangerous situations. Saga writing at its best.

---

### Heather Copping says

Wow what an absolutely fantastic book, right from the beginning I was drawn into the story and just loved the story of Kitty and Maggie, not forgetting Sunday and Tom at Treetops children's home. I had not read the first book "mothering sunday" but that did not spoil reading this great book one bit. Kitty went from being a foundling at the children's home to being reunited with her mother in London and has many ups and downs during the first world war in the music halls and theatres to a more seedy side. I personally didn't like the character of her mother Ruby who you could see was only out for what she could make from Kitty. This book has many emotions covered and you may need a tissue ready at the end. I have read other books by Rosie Goodwin and this one is up there with the best of them.

---

### Ian McNamara says

While this can be read as a stand alone book, I would recommend that you read Mothering Sunday first as you'll get to know some of the characters in the story better. This is the story of Kitty a little girl who is left abandoned on the steps of treetops manner house as a baby. She is well loved by Sunday Branning her Gardian who is struggling to have children of her own. However as she gets older because she's so beautiful

it's hard for her to resist the attraction of mean people. She's lowered to London to live with her birth mother but can she protect herself from being used and exploited. This was a fantastic book and there were some very very moving parts in it, I was hooked into the story from start to finish and it was lovely to meet the characters from the first book and meet new ones as well. I am a big fan of this author already and think she's an author I will be reading for a long time to come.

#### **What a wonderful book!**

I have enjoyed reading this book, the first I have read by this author, and feel sure that I want to read many more.

I am so glad that there are so many more for me to look forward to reading.

### **Kristina says**

The Little Angel by Rosie Goodwin is the second book in Days of the Week series. The story begins in December of 1896 in the village of Nuneaton. Sunday Branning and her husband, Tom run Treetops Children's Home. One day there is a knock on the door and when they open the door they find a baby girl on the doorstep. There is a note with the child who is named Kitty along with money for her care. Sunday, who is unable to have children of her own, is instantly taken with Kitty and grows to love her more each day. When Kitty turns seventeen, Miss Phyllis Fox arrives. Miss Fox is there on behalf of Kitty's mother, Ruby Darling who wishes Kitty to join her in London. Kitty desires to know her birth mother and departs for London the next day. Ruby Darling is a singer who works the theater, but, as she gets older, there are fewer opportunities for her. Kitty has an angelic singing voice and Ruby starts grooming her for a stage career. Kitty is not wise to the ways of the world and she needs to be careful whom she trusts. Not everyone in Kitty's life has her best interests at heart. Discover what happens to Kitty in The Little Angel.

I did not read the first book in Days of the Week series, and I did not feel like I was missing anything. I was able to enjoy The Little Angel without any difficulties. The Little Angel is nicely written and has a gentle pace. The cover is just lovely. I found The Little Angel to be an interesting story. I kept reading to find out what would happen to Kitty. I did find myself yelling at my Kindle on occasion telling Kitty to wise up. One of the themes in the book is to learn from our mistakes. We all make errors in judgement, but we need to learn from them and do better in the future. The Little Angel is an emotional story with some heartbreak scenes. The Little Angel takes the reader full circle with the ending. It was lovely stepping back in time with The Little Angel.

### **Brenda Anderson says**

Good second book from Rosie Goodwin. like her books great author recommend.

---

### **Jane says**

I received this book from Netgalley in exchange for an honest review.

Really enjoyed this book, it was easy to read and I thought the characters were very likeable. Great book!

---

### **Deanne Patterson says**

First off you'll have to admit this is such an eye catching beautiful cover! Wow, wow and wow again! My emotions have run the gamut here from relieved and happy to shocked and tears flowing.

A young couple run the Treetops Children's Home an orphanage that takes in foundling children. The main characters of the children are Maggie and Kitty, they are 6 month apart in age. Kitty is the darling of the family small,petite,dainty and gets prettier every year. Maggie is the plain Jane but sturdy and sensible one. The girls each go to a family but neither have the life they envisioned . Maggie has an abusive and manipulative father and Kitty's mother is that way. Kitty goes on to become a singing star like her mother but she gets taken advantage of her mother and in her naivety by men as well. Many secrets are revealed by the end of the book, some I saw coming and some I didn't. The girls make their way back home at the end of the book to Treetops Children's Home, of course by this time they are both grown. This book was absolutely amazing and you know an author has the right stuff when she can make the reader feel the emotions they feel when reading her book.

### **Deanna Walker says**

Thank you to Netgalley for the advanced copy.

Holy Moly!!! I absolutely loved that book!! There was a lots of twists and turns.

I can't imagine what they going through alots of sad news. It took me my own surprise that I couldn't put the book down and loved every pages!

I loved the name is Kitty and she's seemed a very nice girl turned into a beautiful young woman. I was surprised that she had a twins!! But, sad to see them passed away.

This is an excellent book ever!!!

---

### **Kathy E says**

Another great read by Rosie a little sad at the end but I couldn't put it down.

---

**Tracy Robinson says**

highly recommend have read all rosie s books and always a brilliant storyline

---

**Shirley Revill says**

I absolutely loved this book. Brilliant story. Highly recommended.

**moira manson says****Angel**

This was a tear jerker from page one I loved it Sunday and Tom were so down to earth Kitty was a beauty but in the end it was Maggie's beauty that shone through . Poor Kitty she was really took in by Ruby of only foxy had said who she was it could of been a lot different . But it worked out in the end wish I could of awarded a ten star review but definitely 5 STARS .
