## Usagi Yojimbo, Vol. 18: Travels with Jotaro Stan Sakai

This multi-award winning series continues the adventures as "Uncle" Usagi struggles with keeping a secret from Jotaro that everyone else seems to know. Not only do their travels bring the perils of the Neko Ninja (in hot pursuit of Chizu, ex-leader of their clan and friend to Usagi), they also have a close encounter with a new and deadly organization--the Koroshi League of Assassins. The beautiful thief Kitsune is up to her old tricks, and Usagi relates a story from his youth about a goblin swordmaster. Finally, an evil artist targets Jotaro with a possessed ink set in the three-part "Sumi-E" story, which features the return of Sasuké the Demon Queller!

## **From Reader Review Usagi Yojimbo, Vol. 18: Travels with Jotaro for online ebook**

### **Kyle Wright says**

I admit that I'm a big fan of Stan Sakai's Usagi Yojimbo series. Normally, I'll start a TPB (trade paperback) collection and read it over the course of two or three days. This volume, however, I sat down to read a bit and the next thing I knew I was done. It absolutely flew by!

My favorite thing was seeing the relationship dynamic between Usagi and Jotaro. As they continue through each adventure, it's interesting to see the bond between them grow. We also encounter some other old favorites, such as Chizu and Kitsune. Sadly, my favorite side character, Gen, was absent from this set, but I have a feeling he'll be back soon.

This volume leaves off on a cliff-hanger, so be warned. You'll certainly want to have the next volume handy.

---

### **Kim Wong says**

Usagi summons Godzilla to fight a monster. Also, Gamera and Ghidorah appear.

---

### **Nicolas says**

Excellente série d'histoires.

L'apparition de Jotaro aux côtés d'Usagi renouvelle un peu le personnage, et montre clairement à quel point ce ronin fréquente des personnages peu recommandables.

Et la dernière histoire mettant en scène l'encrier diabolique est tout bonnement excellente ... Et réserve en bonus un cliffhanger de fin parfaitement dispensable.

---

### **Eric Mikols says**

It's fun to see Usagi adventuring with his son, even if his son doesn't know Usagi is his dad. All the stories in this were good. Usagi is such a solid read.

---

### **Evan says**

Sakai handles the transition between historical vignettes and magical monster-fighting perfectly, largely because even his depiction of magic is grounded in extensive footnotes.

---

**Brian says**

Reading these makes life better. I don't think there's any series I enjoy more.
