## **Achaja. Tom II Andrzej Ziemia?ski**

Achaja by?a kiedy? ksi??niczk? pot??nego Królestwa Troy. Zd??y?a jednak ju? o tym zapomnie?...

Ucieka. Z pi?tnem niewolnicy i tatua?em dziewczki z domu publicznego... Czy istnieje na ?wiecie miejsce, gdzie b?dzie mog?a normalnie ?y?? A jesli istnieje, czy ironicznie u?miechni?ty los nie w?o?y jej na g?ow?... ksi??cyh ozdób? A nagrod? za zwyci?stwo jest kolejna niebezpieczna wyprawa.

Zakon ma nowe zadanie: zem?cic si? na Zaanie i Siriusie. Trzeba ostrzec ksi?cia Oriona, ?e w ?o?u jego syna sypia oszust...

## **From Reader Review Achaja. Tom II for online ebook**

### **Magulec says**

Troch? nudnej ni? w pierwszym tomie, ale ciekawa jestem co jeszcze autor wymy?li.

---

### **Maciek says**

A great continuation of the series. This part focuses more on Achaja storyline, with some connections to other plot lines. We see brutal realism of war and an interesting concept of formation of society.

---

### **Joanna Macura says**

Another great polish fantasy author. I can say only nice thing starting from the way of writing style, through the world which is considered with every detail and ending at characters.

In this book I met first female character which I really liked. Which didn't give me feeling of being false or exaggerated. Achaja is everything what women should and shouldn't be in the same time. You are with this character from beginning for so many years that you almost have a album with her life in head. Never before I didn't now so much about one figure in book. You can love her, you can hate her, you can be disgust or you want her like a hell. But you can't be indifferent for her.

World is interesting here and different in every place you are with Achaja, you can meet there beautiful places, scary one, delightful one and places which in some point you wish not to read about.

Everything is described with every detail, you understand geography, politics, religion.

Story is interesting too. Five stars :)

### **Mikel says**

Du?o lepsza i du?o bardziej wci?gaj?ca od pierwszej cz??ci.

---

### **Lenulka says**

Tuhle knihu miluju, jedna z nejlepších fantasy, které jsem ?etla!

---

### **Kain says**

Znów mi si? podoba?o, ale czasem troch? przy?pieszy?bym akcji?, bo bywa?y przed?u?enia straszne.

**Filip says**

I keep hearing that the first volume of Achaja is the best and then it gets progressively worse. Meanwhile I liked this book more than the previous one. Of course the things that annoyed me in the first volume - descriptions of authors wet dreams, his weird pseudo-philosophical/pseudo-political author tracts - were also here, but somehow the book got a bit more bearable, with less swearing and more actual dialogues.

Also Meredith's chapters that were the most boring to me, here were in minority, with the plot focusing more on Achaja/Zaan. I also got A BIT more of a feeling that the plot is actually moving in some direction, though I still wouldn't be able to say what is it about.

I'll definitely read the third part though I highly doubt it will my favourite fantasy cycle.

**Anna says**

"Ja zwariuj? z tym oddzia?em! Za co mnie Bogowie pokarali tymi g?upimi siksami?" W og?le to Shha i Achaja rulez!

Wow. A? nie wiem co powiedzie? :D Ks?ka niesamowita. Jawnie g?wnym atutem s? miliardy ?artów j?zykowych i sytuacyjnych. Nie wiem nawet czego wi?cej. Ziemia?ski nawet kiedy nie sili? si? na ?art wychodzi?o mu to co? czuj?, ?e przypadkiem. Niewa?ne jak? b?dzie trzecia cz??? ta jest moj? ulubion? i niewa?ne jak spodoba? mi si? koniec I tomu to dzi?ki temu trylogia trafia na p?k? Ulubione. Babki to jednak s? najlepsze :D Przeczyta w ci?gu 5 wieczorów i nawet w przerwach w pracy próbowa?am.

M?czy?am ?artami i opowiadkami telefony znajomych a potem wtr?ca?am co nowego przeczyta?am w rozmowach. Chyba do tej pory mnie znienawidzili. Nie pami?tam kiedy ostatnio tak si? wci?gn??am w ksi??k?, a ju? chyba nigdy si? tak nie u?mia?am by w autobusie wybuchn?? niekontrolowanym ?miechem. Wg standardów armii Arkach - ziska?am si? i obsmarka?am, ale sercem wci?? jestem pe?n? honoru siostr?? (lub dupeczk?, dup?, dupk?, ma?p?, ma?p? zielon?, krow?, malutk?, laleczk?, etc. wymys?y ?o?nierzy z Arkach nie znaj? granic, g?upota równie? :D)

"Ja tam by?am. Jak si? której? wydaje, ?e u nich da si? ?y?, to niech se brzuch rozetnie i zobaczy, jaka ?adna jest w ?rodku. Po prostu ?liczna. Na pewno doceni?."

PS: i tak kurde nie wiem co o Biafrze s?dzi?. Z pocz?tku norma - skurwysyn, ale taki w porz?dku jakby. Potem ta ko?cowa w sumie scena... ale wysz?o, ?e niby bujda. Choc te szarpania i 20 bab dywizji, be?ty... no ja nie wiem. A ju? my?la?am, ?e mi?o?? b?dzie xD To by si? kurde dobrali.

## Overlady says

Oh boy. I thought that this book would be easier to rate than the previous one. I was so wrong. First of all. Good news. The 2nd book unlike the previous one doesn't waste too much time on other characters. This time it's mainly about Achaja.

Generally it's an amazing book, but it's constantly tripping. The author makes decisions that are impossible to ignore.

Keywords : Confession, prophecy 1000 yrs later, cats. Won't make sense to people who did not read the book. However to those who did. I'm sure you understand my annoyance towards those things.

Spoiler territory

\*\*\*\*\*

This book is becoming a massive joke. What I liked about Achaja is the fact that no matter what, it was never guaranteed that she will be fine. Alive? Yes. But fine? No. Life constantly kicked her in the ass. With everything came a great risk. However author took that away from us. He made her become a cat girl who's basically immortal, with inhuman regeneration skills who can be ressuercted whenever. That's a massive plot armour. I don't know if I should cry or laugh, he basically stepped all over his creation. He has a talent for medieval atmosphere, battle, tension, characters. However no talent whatsoever for fantasy.

I also hated the fact that he decided to bring machine guns, god, magic on top of all that. It's a freaking parody.

Funny thing is that you could see that coming from chapters about that virus/demon/magician guy. Was hoping that he would burn that part alive and forget it ever existed. How naive of me.

Doesn't change the fact that this book remains entertaining, what is a mystery to me. It's not easy for me to keep up my attention span when reading books with 500+ pages. One more book to go, might as well see it through to the end.

---

## **Alex says**

I think this was the best of the series. Until it went downhill at the end when they started having drunk parties all over the time. In this one I really liked Achaja's storyline, it was actually the only storyline that actually appealed to me - Zaan's and Meredith's storylines were plain boring (or maybe I'm thinking about third book...? I don't remember really).

I'm giving it four stars purely because it was least annoying - at least that's how I remember it - and Achaja was actually starting to be really interesting and fun to read - even the battles were really fine.

At the end it just went to hell and you could see how the third book would be like - bad written, very rushed and just bad.

---

## **Adam says**

Drugi tom po?kn??em i lec? do trzeciego. Zacna ksi??ka, bez wi?kszych uwag.
