## **Finding My Way Back to Love 3** Diamond Johnson

This is the final ride for Kennedy and Mustafa. Sometimes, it's better to just walk away from certain things, than to keep stringing it along because you only continue to hurt each other. That's what's happening between Kennedy and Mustafa. The two of them have been through so much to the point that it's hard for them to get it right.

Although Mustafa seems to be over what took place between Kennedy and Marcus years ago, will he ever be able to fully trust Kennedy again? Not only that, but what will happen between Marcus and Mustafa? Is he really ready to risk his freedom and risk being absent in his children's lives just so he can handle Marcus?

This book is filled with so many twist and turns, but hopefully when it all comes down, Kennedy and Mustafa will be able to find their way back to love.

### **Bangerrrrrrr 5?**

That was the perfect ending to this story. From the beginning I was rooting for Mustafa and Kennedy to make it to the end of time. It was unfortunate that Logan had past but so glad that Star made it out and now is a happy and healthy baby. So happy for Paris and Duke and welcoming there new baby girl China into the world. I just knew it wasn't the end of Emory and Alani, I'm so excited to see what their story would bring and I'm also rooting for them to make it to the end. Great read Diamond Johnson, everything your putting out just gets better and better.

### **Nice ending**

Book 1 had me in tears. The author just wrote that book with so much emotion that you cried the first 5 chapters and then the treachery started.

Book 2 had me in awe with how the author took you threw the way both characters just went through the healing process together. To getting that love back but then the blast from the past shows up. Book 3 showing no matter what real love conquered all . It was a great journey. Can't wait for what's next

#### **Loved them!!!**

I really enjoyed this story. It shows how everyone has a past but it makes us who we are. We can't deny it or run away from it. We have to live in our truths or things can get really bad. I honestly thought Marcus would have man up but he was too far gone. He just could not get right. I loved the parts about Duke and Emory. Glad we got a glimpse of their lives. Hopefully Emory get it right with Alani though. Great job Diamond Johnson

Good read...

I thought the two of them would take another loss with Marcus running around then again, I thought Mustafa would get over it and the two of them would move on with their lives. I'm wondering what or if anything will come out of the situation with Paris and Duke, seems like the author was touching on some drama coming their way. I don't see too much coming out of reading about Emory and Alani, so I'd pretty much have to be bored to read that one.

Round of applause that Kennedy and mustafa finally got it together. I love them two together. I was so happy for Paris that she finally got what she had been wanting. I was little skeptical about kortney but she def came through. I was rooting for alani and Emory but she should have just told him the truth from the beginning. Great job with this series diamond but I swear you never disappoint.

Kennedy and Mustafa went thru so much drama and pain to be together. Mustafa was a very. controlling and possessive character he was a good provider and a great father. strong willed. Kennedy was. a strong independent woman who loved Mustafa for years and had his kids. The story starts off with Logan having the baby girl Star she dies after giving birth the baby put in the Nicu for premature baby fighting for her life. Marcus Gray slept with Kennedy years ago when her and Mustafa going thru problems she told Mustafa and all hell break their beefing he wants him gone. Emory Strong is feeling Alani Shaw she exactly who he wants until the truth comes out about Marcus now he feels he can't trust he gave her his heart which he never give to another women. Alani Shaw was really in love with Emory Strong she had a rough upbringing she suffered abuse at the hands of her parents just messed up. Paris Strong wife of Duke Strong she was having

problems having another so got a surrogate because she couldn't carry a baby to full term with miscarriage baby. These couples went thru their up and downs in their relationship. Kennedy and Mustafa went thru a lot in their relationship and the Pain, Mistrust, Cheating, Mayhem, Lies. After all the drama and stress Kennedy ended up having .another set of twins fraternal Ezekiel and Tiaara. They got remarried and now have five kids Star was Logan daughter. In the end they found they way back to love. Can't wait to read Alani and Emory story. This was a great author.
